**Dedicated to all the men
who will find retribution in
Wives from the World of Brimstone.**

DCC

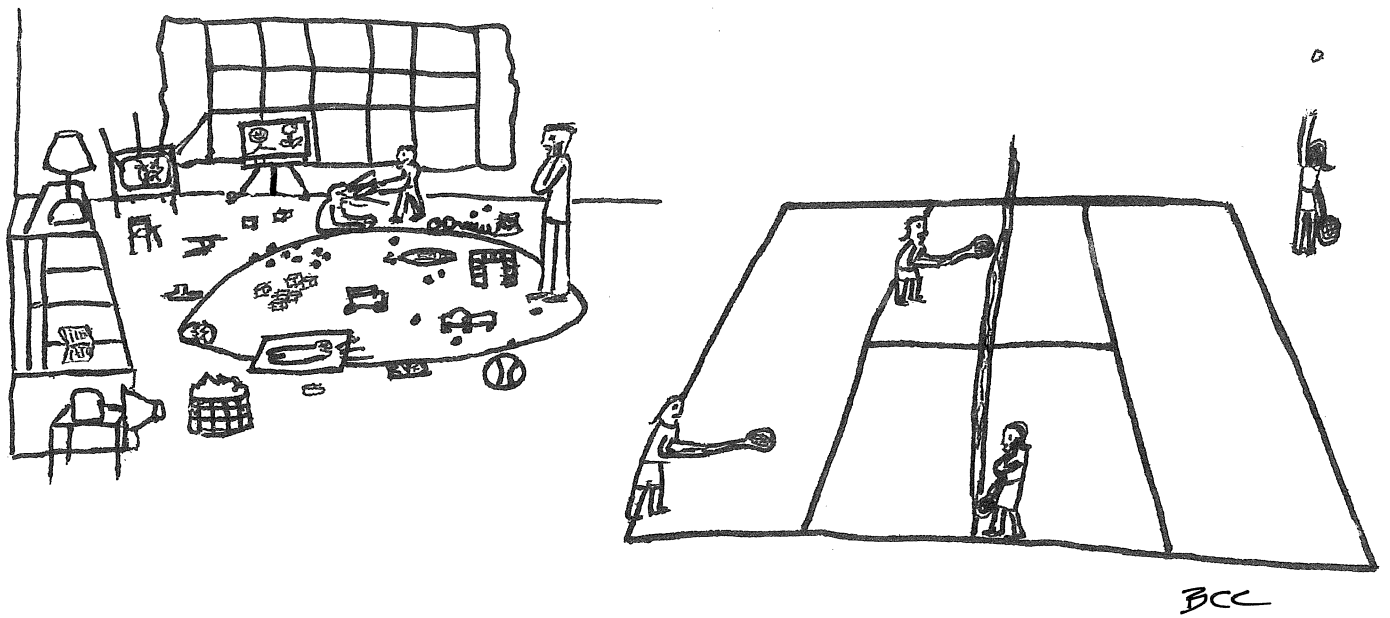

**"The kids didn't want the vegetarian pizza you fixed
so we went to McDonald's instead."**

**"No! I already told you, 'No!'
And don't ask me again."**

**"Of course you can!
That sounds like fun."**

**"I'm sorry I won't be able to take care of the kids during your match.
My tee time was changed."**

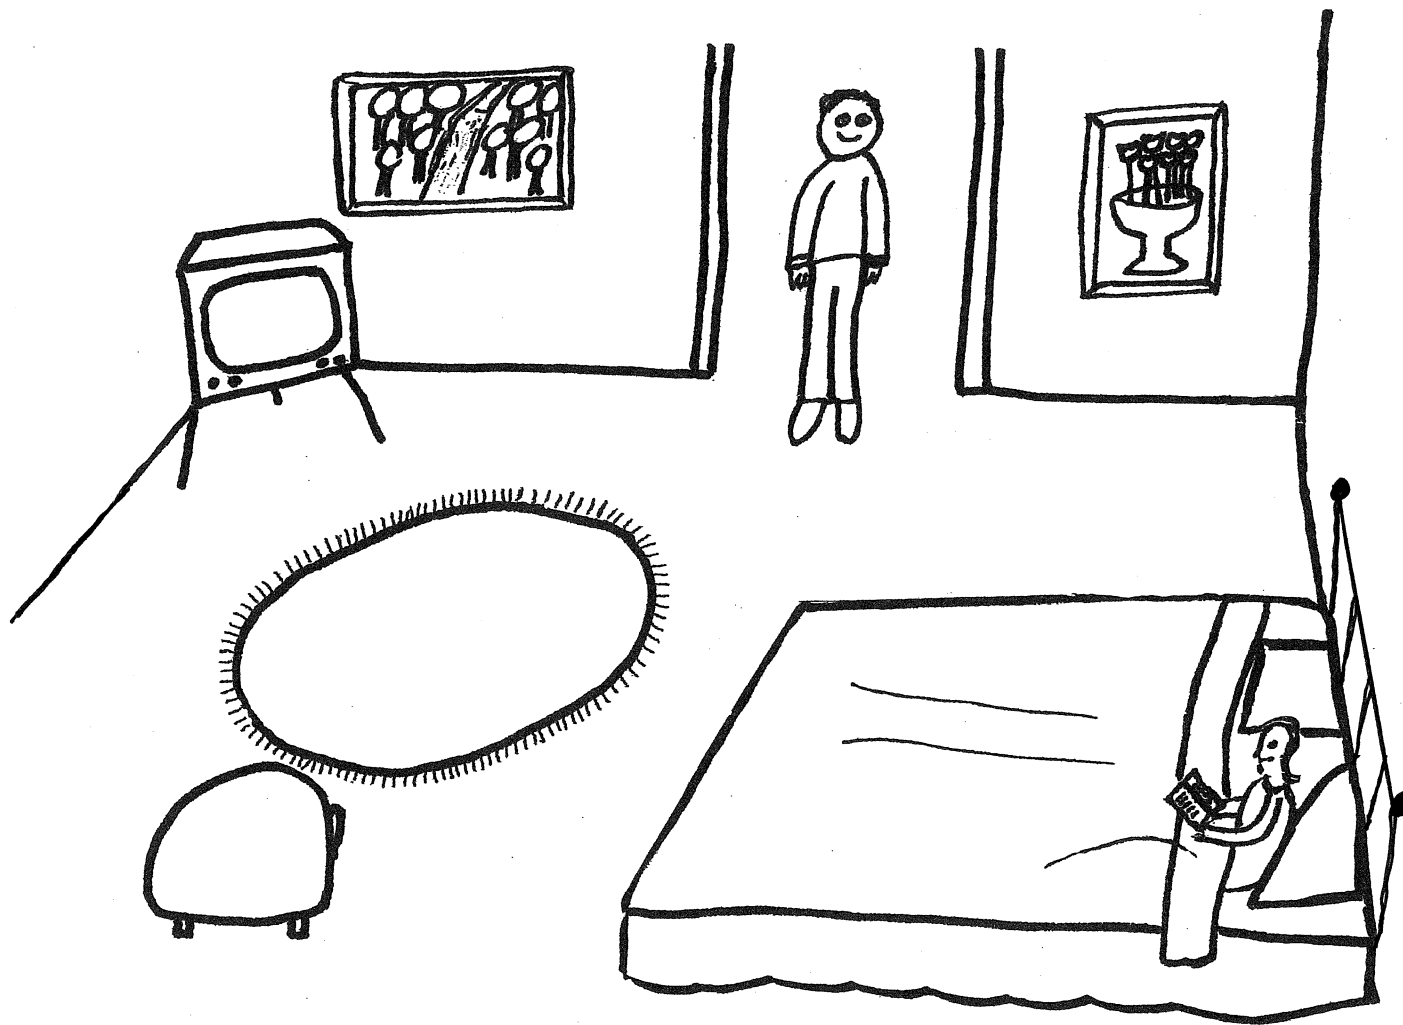

"Can you please take the children SOMEwhere while I watch this?!"

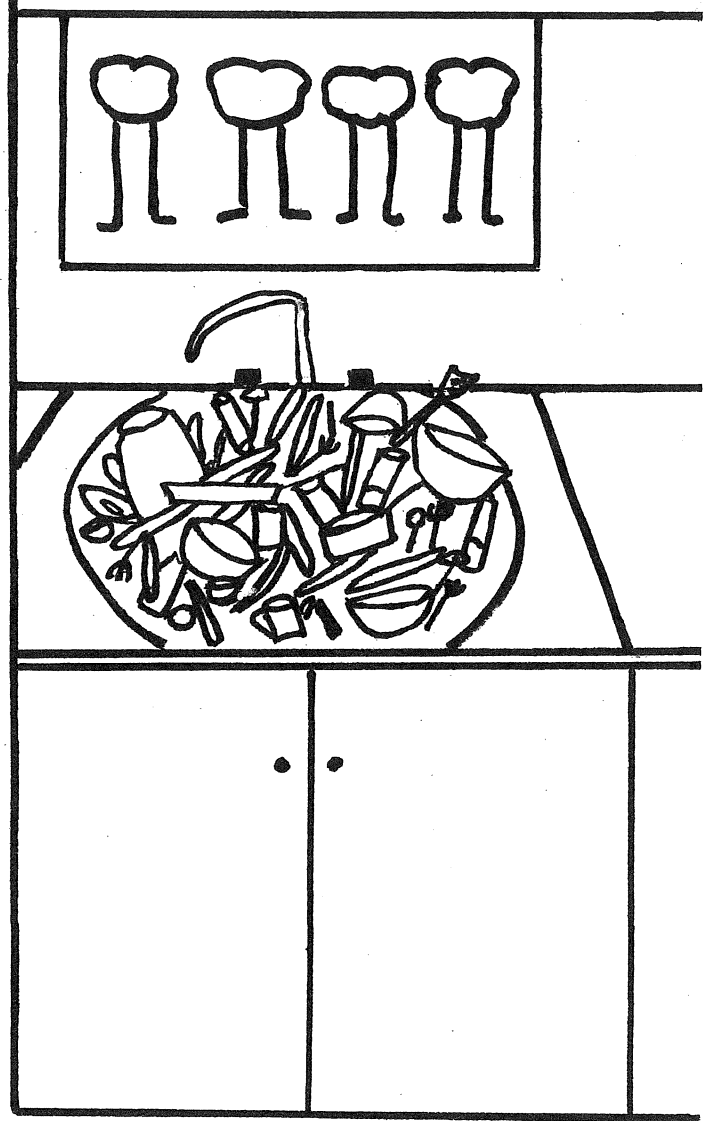

ECC

"Daddy doesn't text at the table."

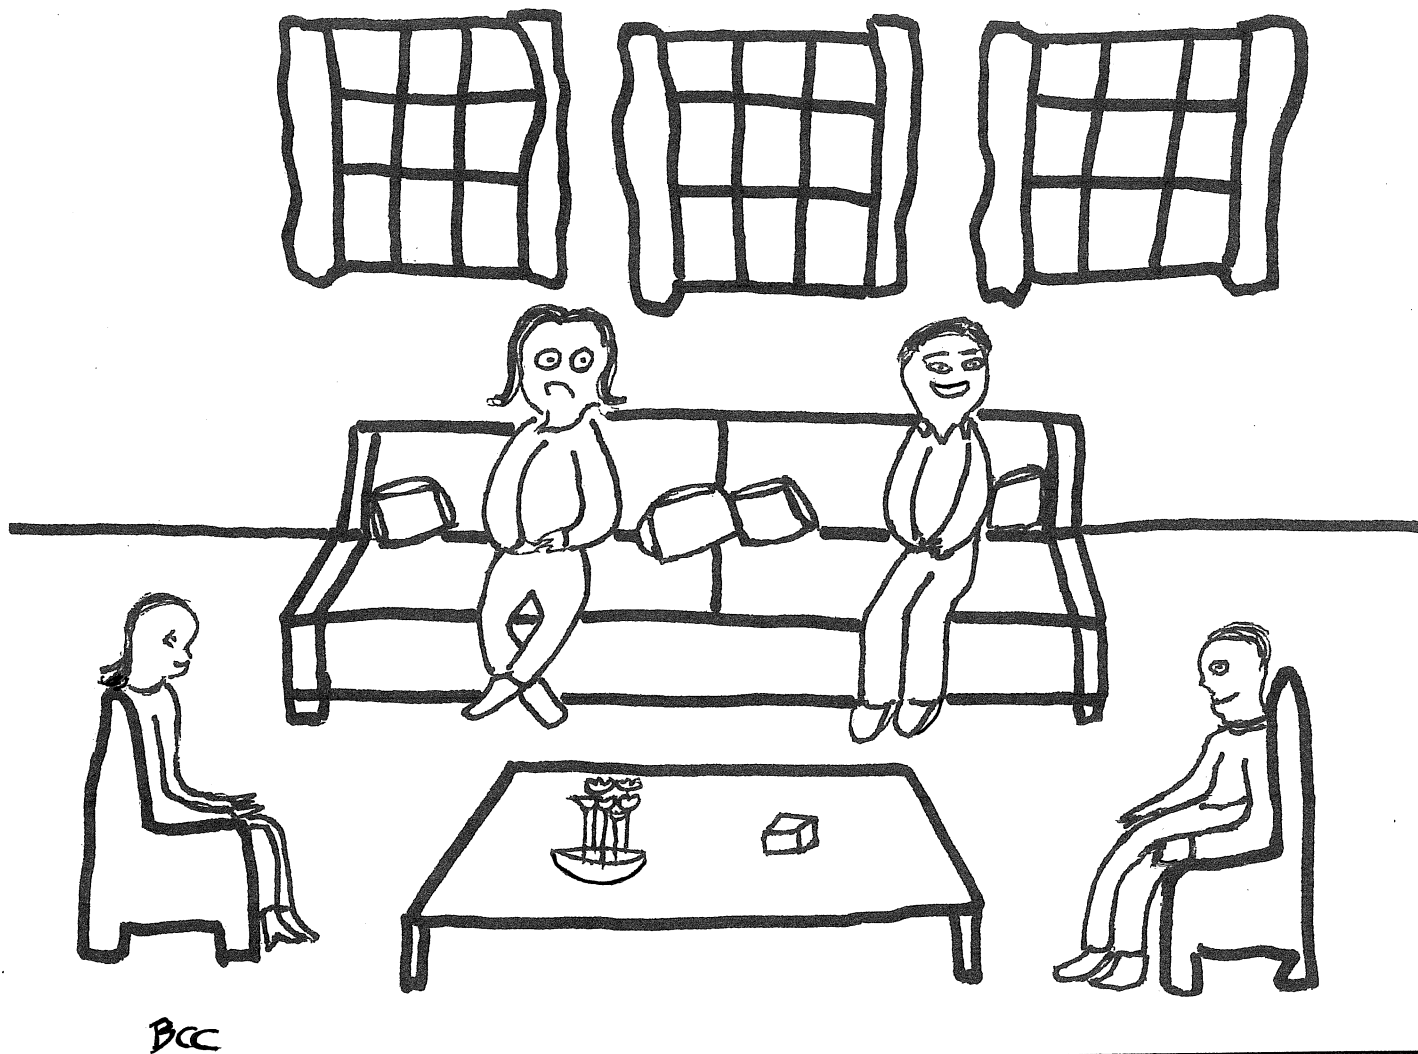

"Do you want to watch basketball, hockey or football tonight?"

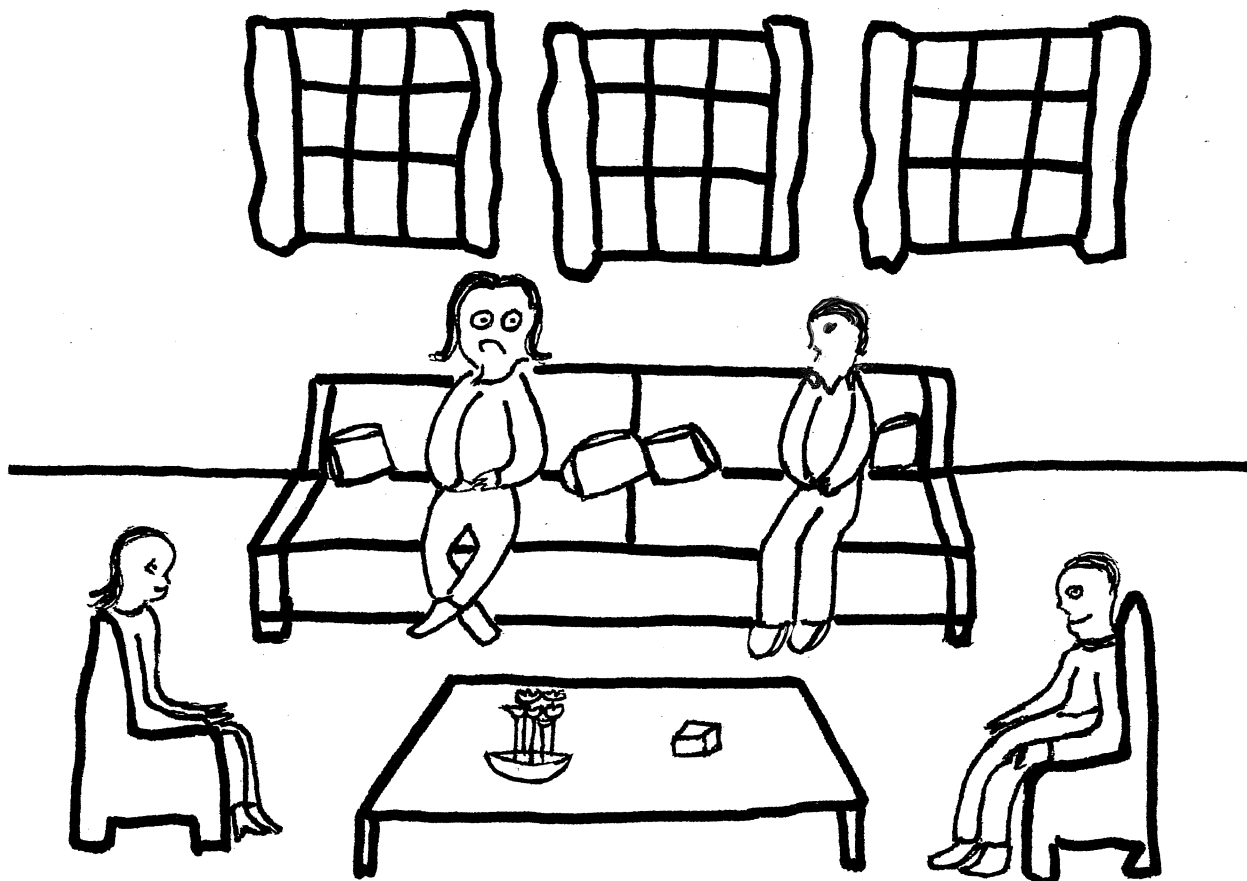

"I did the dishes, honey!"

"You'll probably want to vacuum when you've finished picking up."

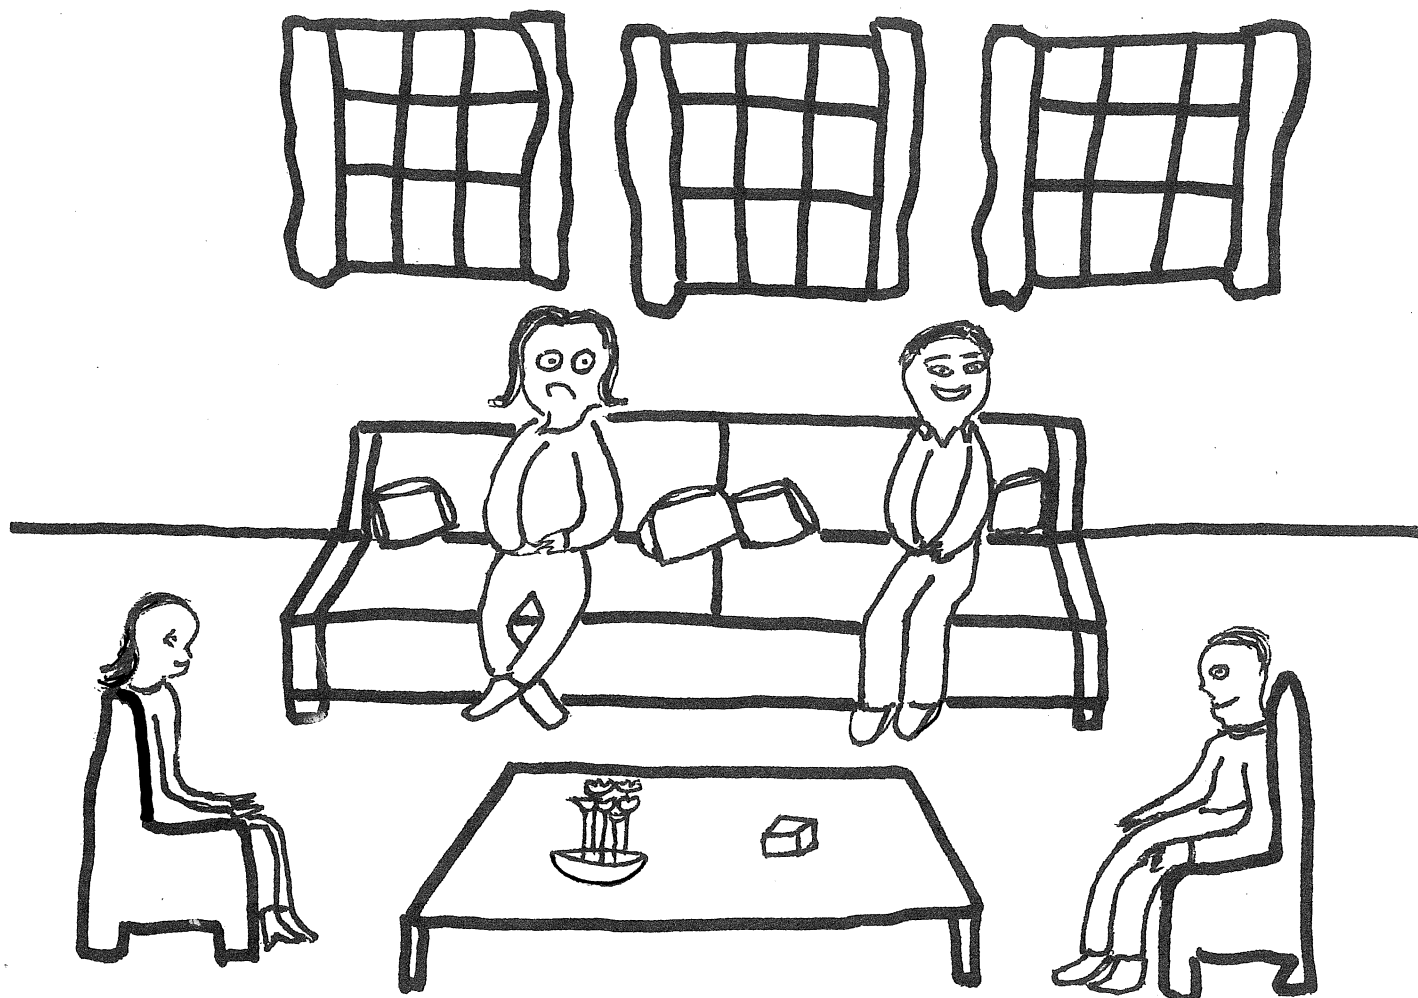

"Oh, do stay for dinner. It's really no trouble at all!"

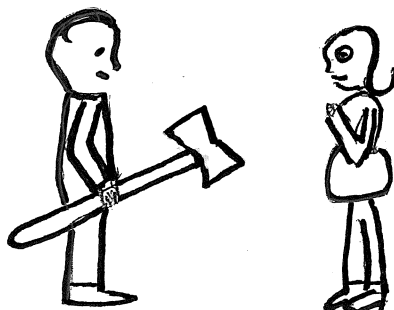

94/EC

"You could make that dish my mother used to make that I like so much."

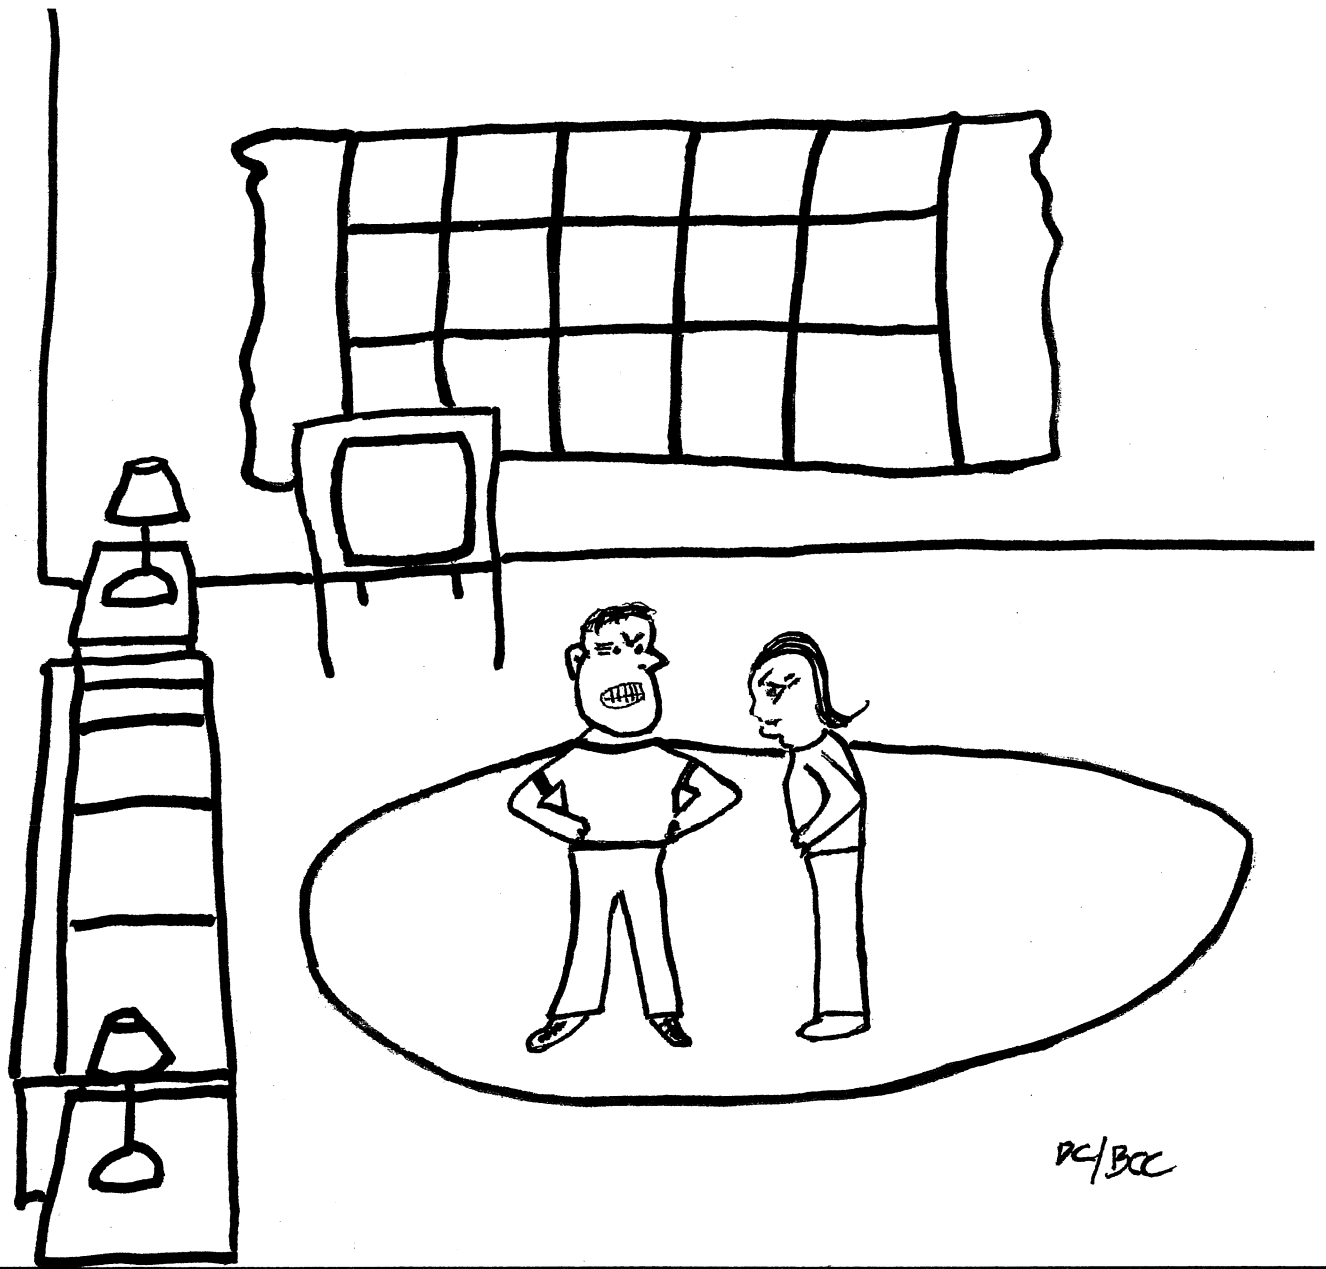

9c/BCC

"It's not as good as my mom's, but she's making progress!"

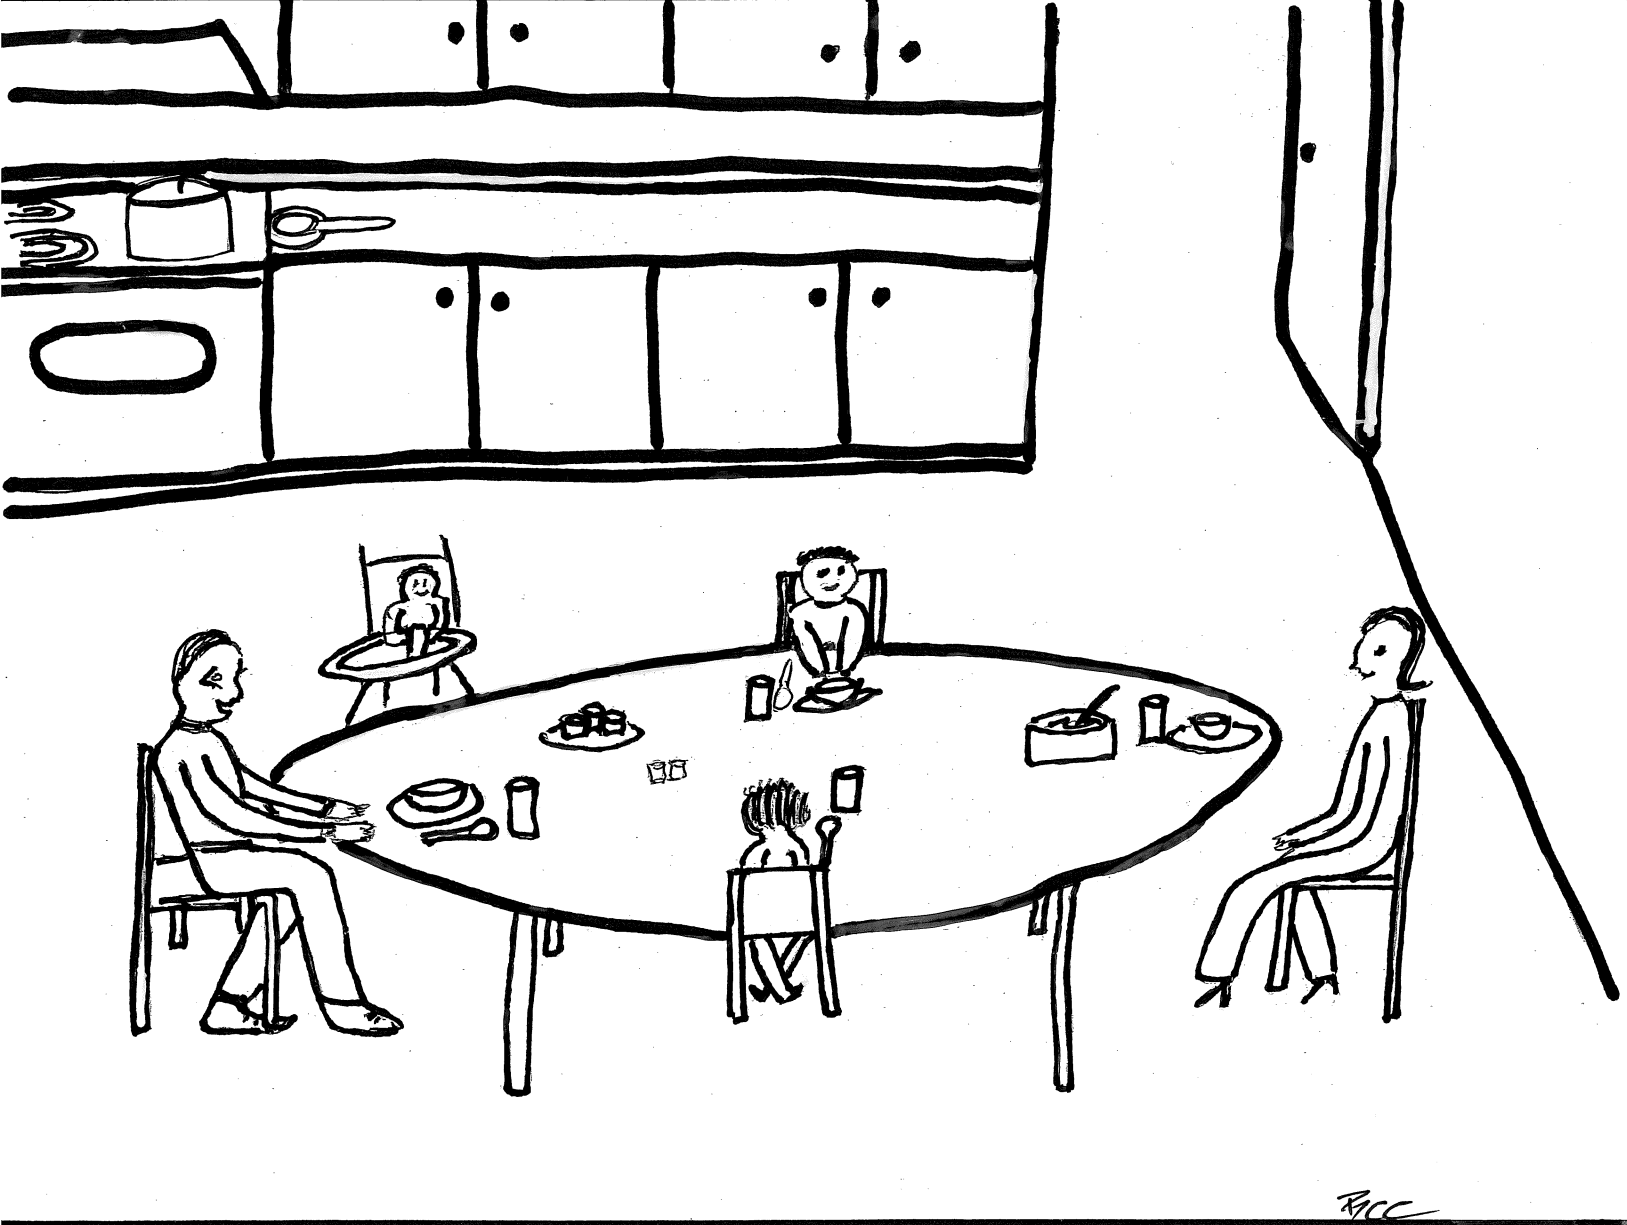

"I really don't want to carry this. Can we just stick it in your purse?"

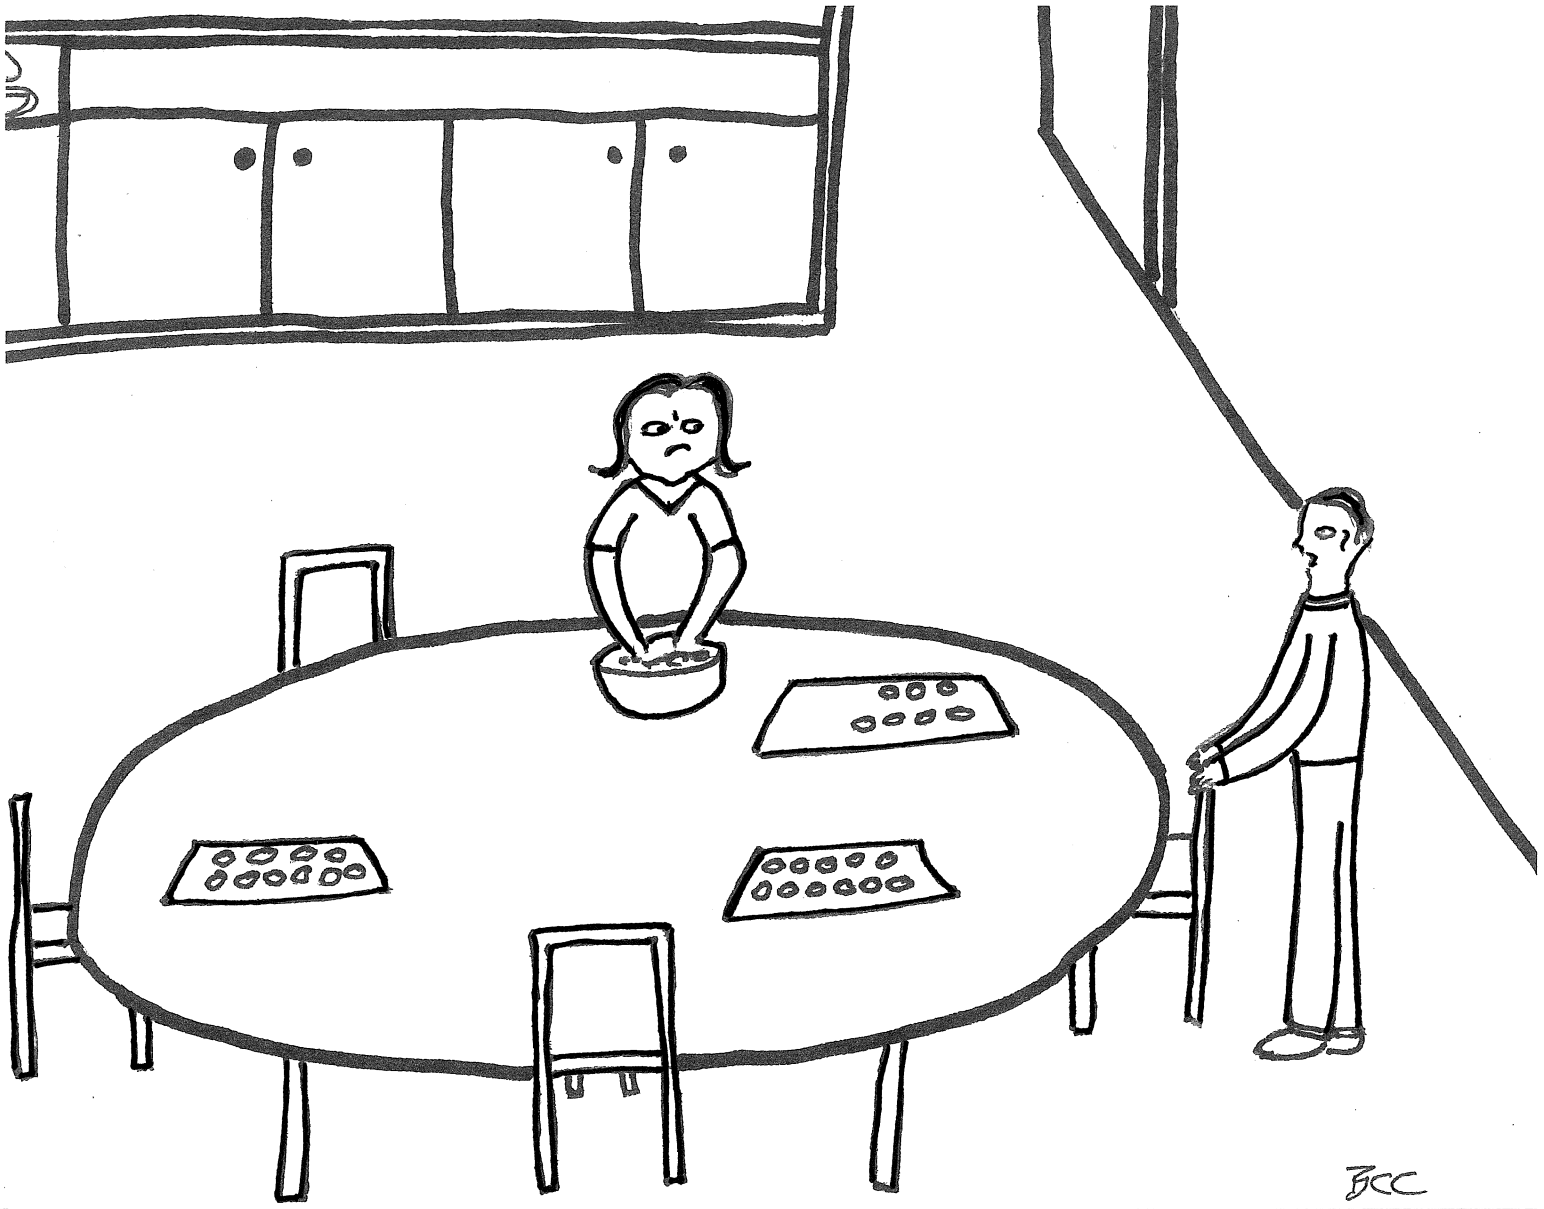

PC/BCC

"Rather than allow GAY marriage, they should BAN all marriage!"

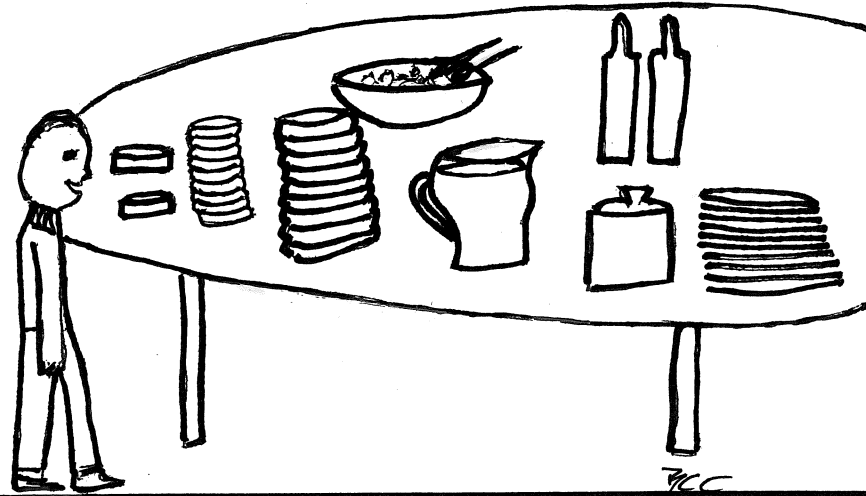

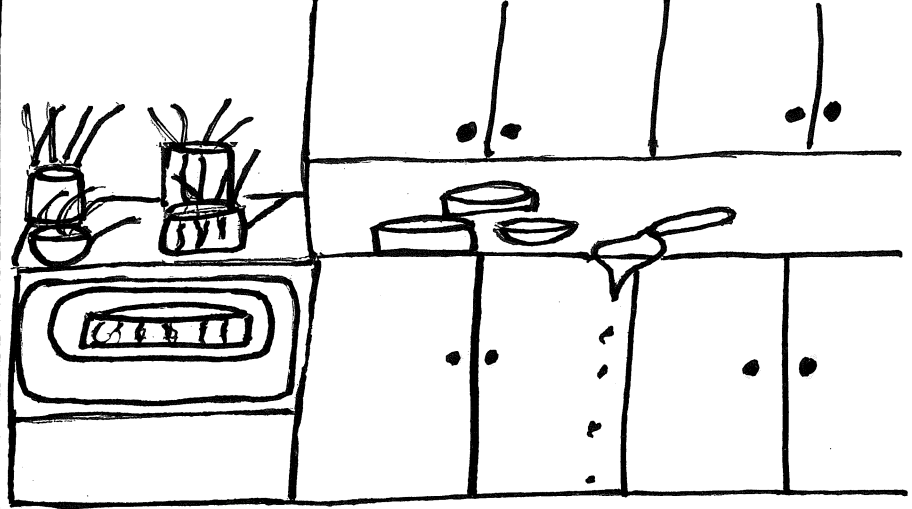

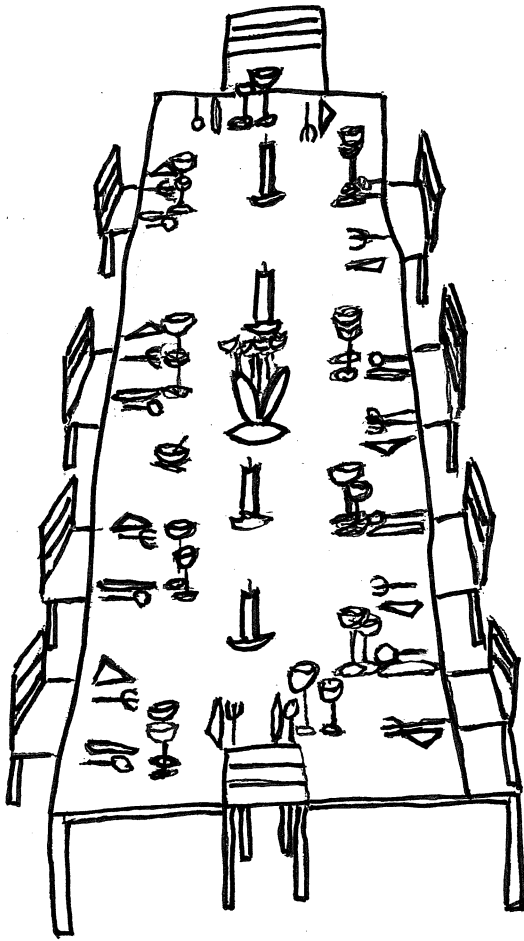

**"If you do the hors d'oeuvres, dinner and dessert, I'll pick up
some beer and wine for the party."**

RCC

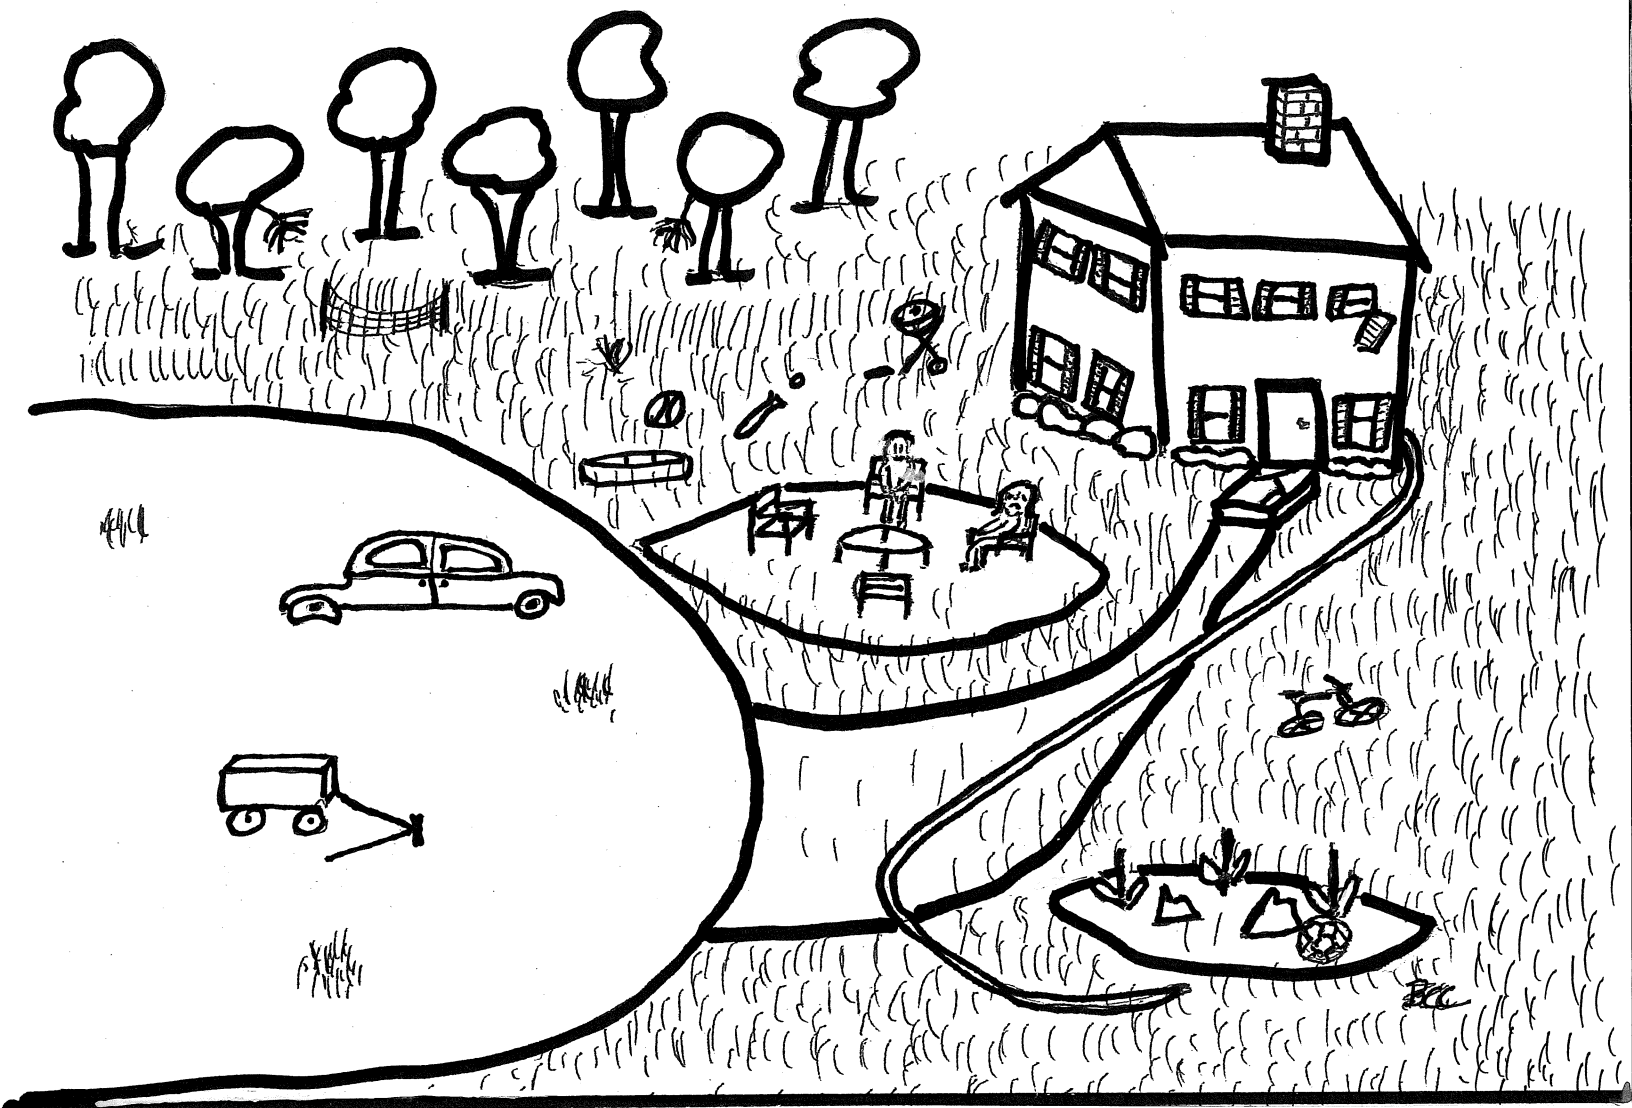

BCC

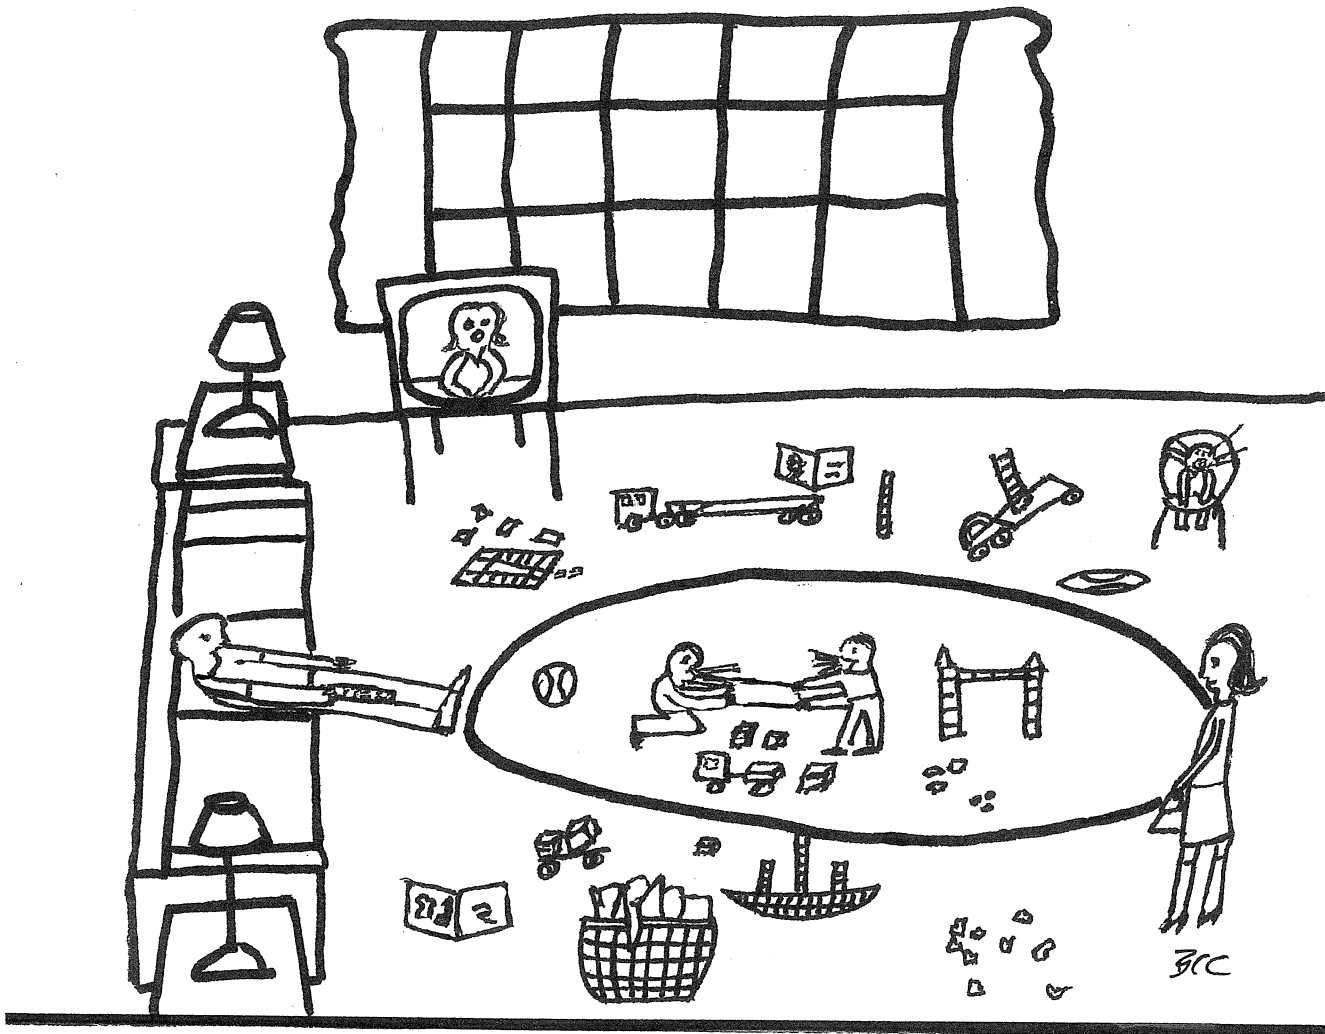

"You could be doing that more efficiently, you know."

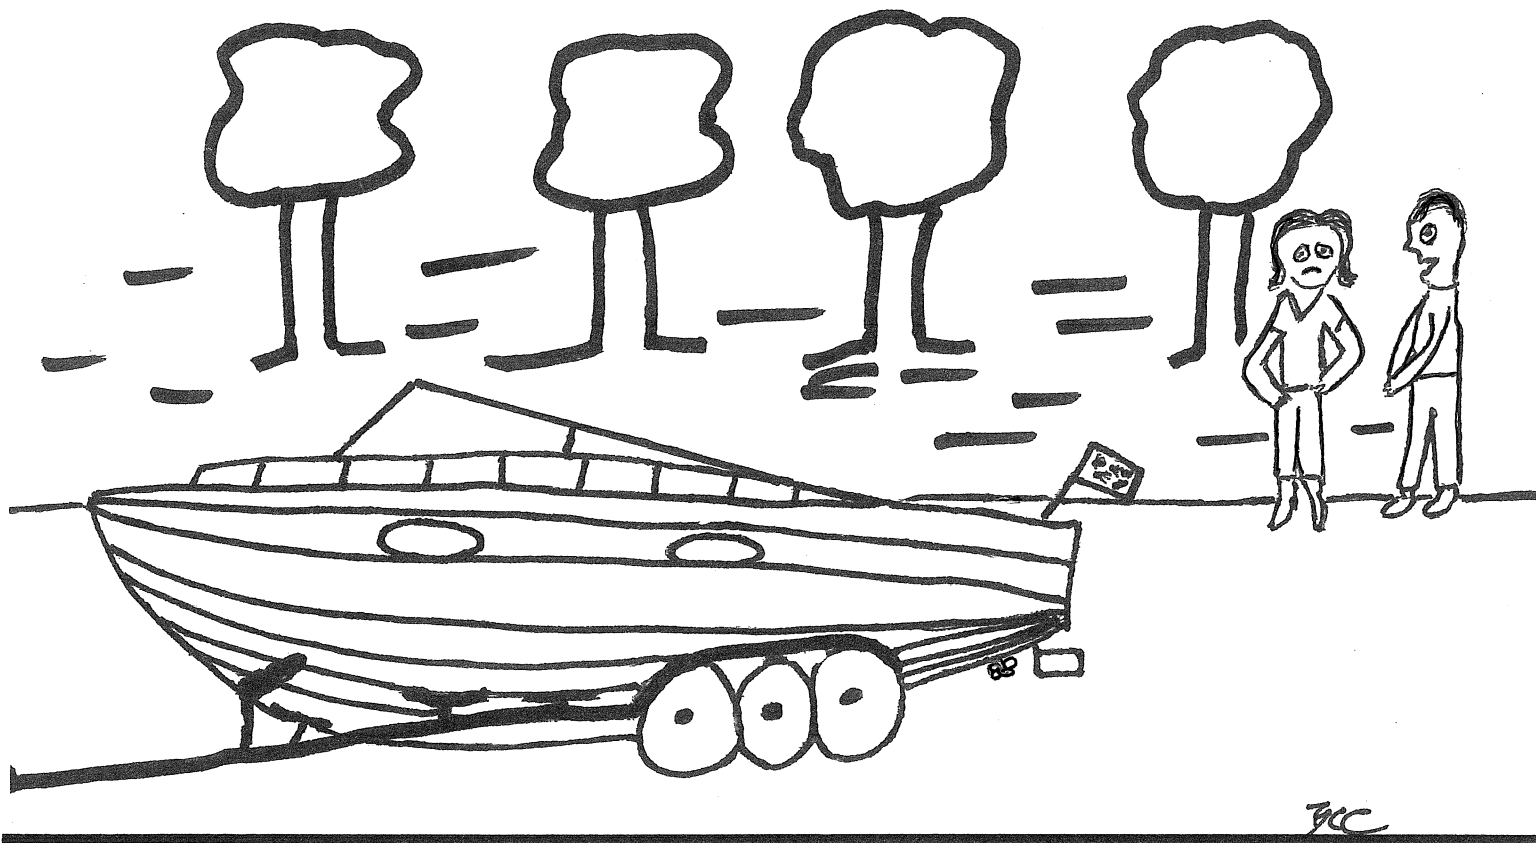

"Do you want me to pour the wine now?"

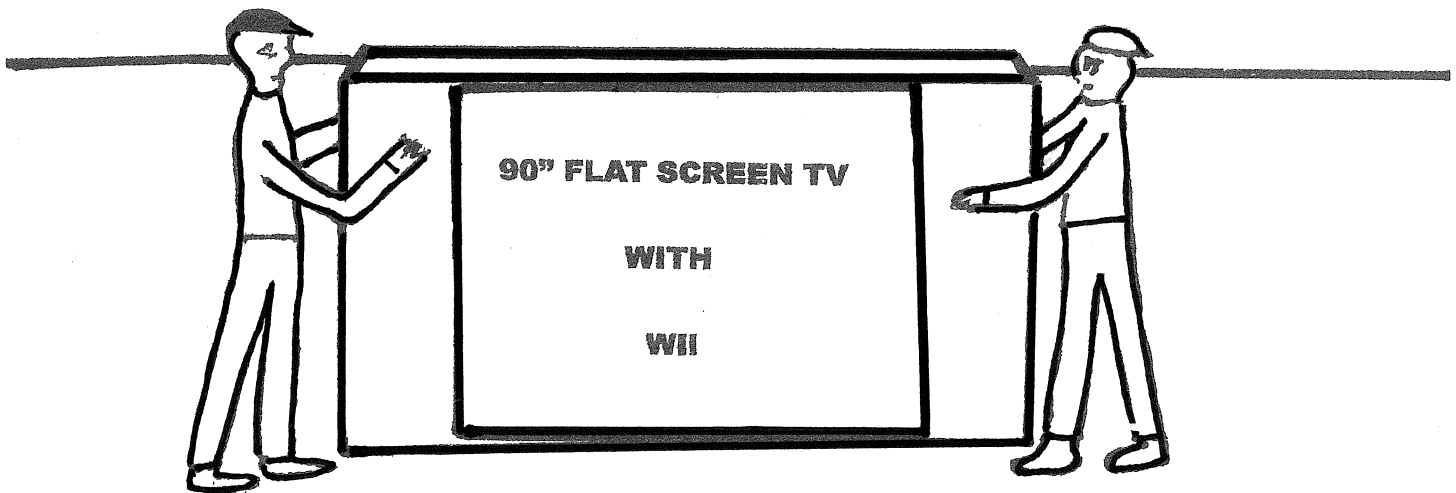

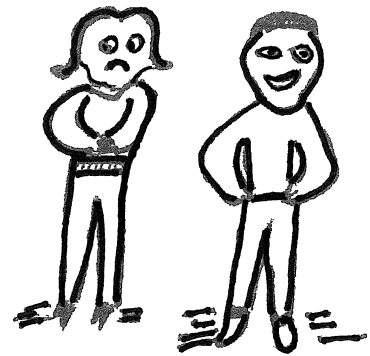

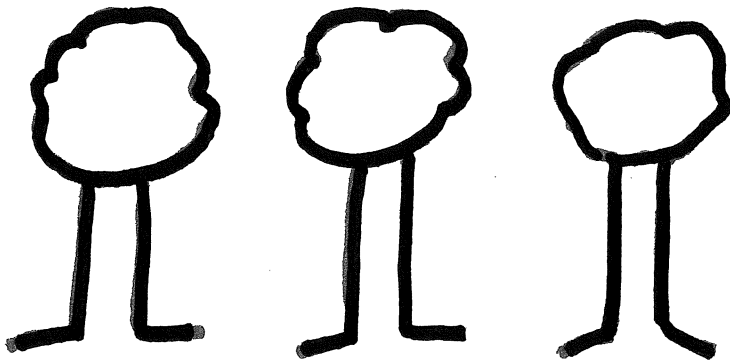

"I feel bored. There's nothing to do around here."

"Since you worked today, why don't you just fix something simple for dinner."

**"I thought it was time we started investing in our future
instead of just living in the present."**

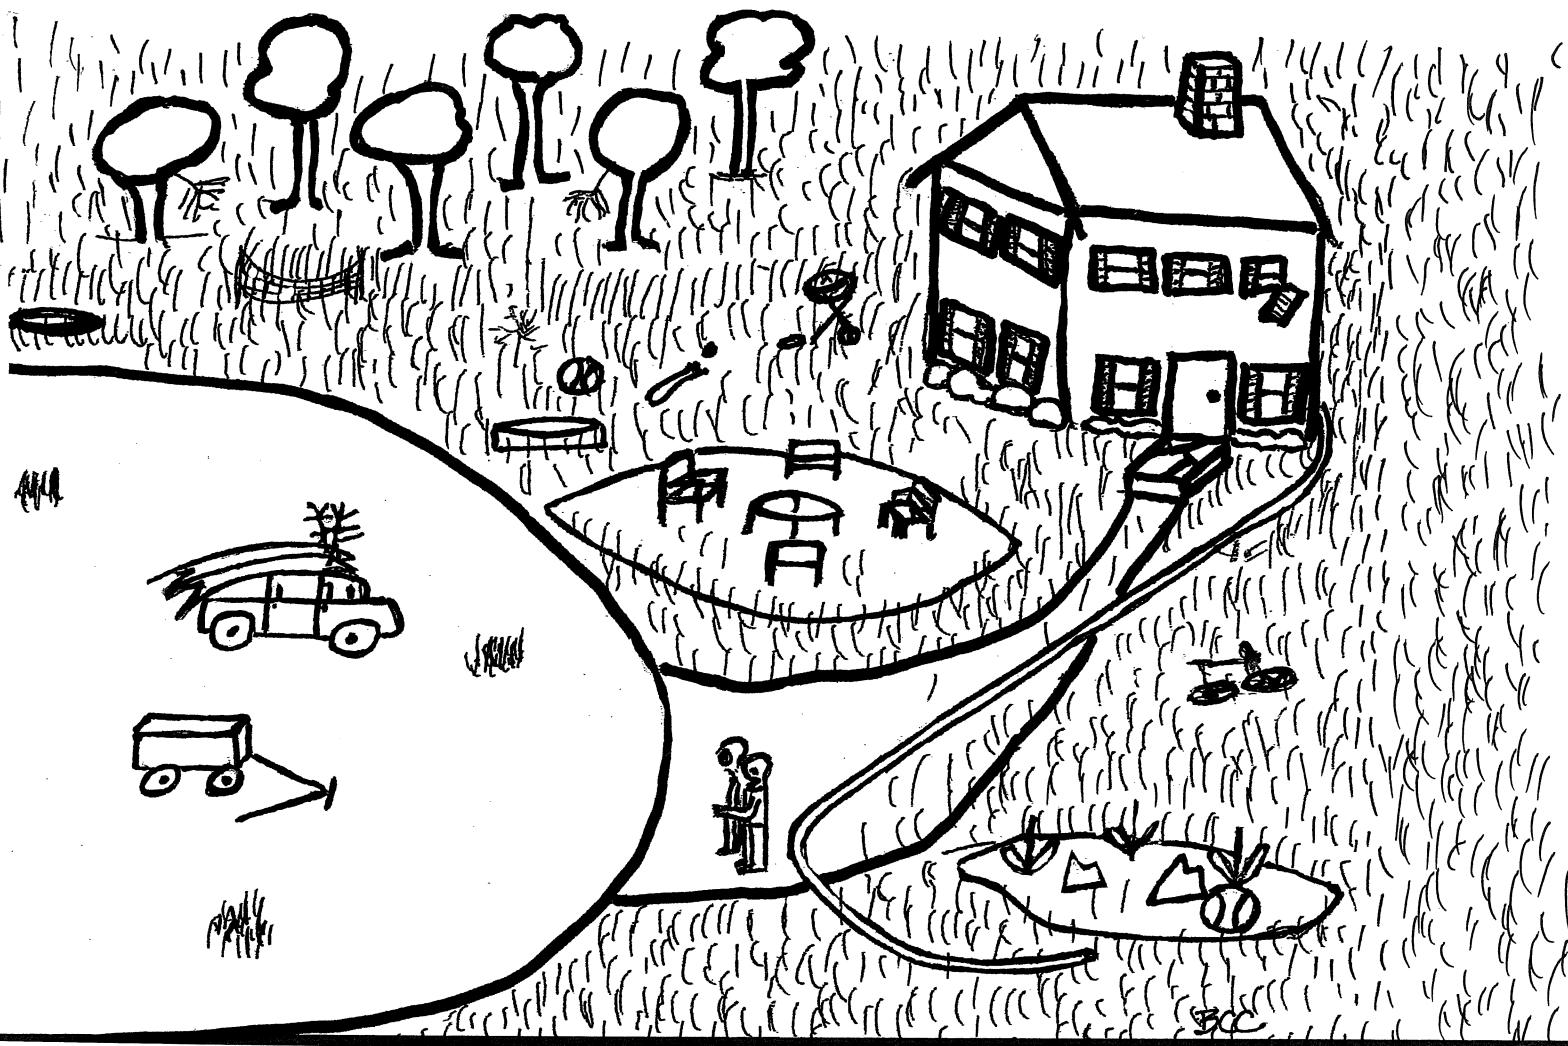

FCC

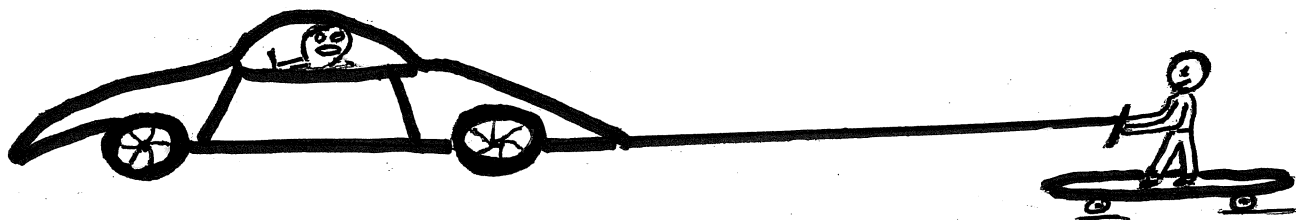

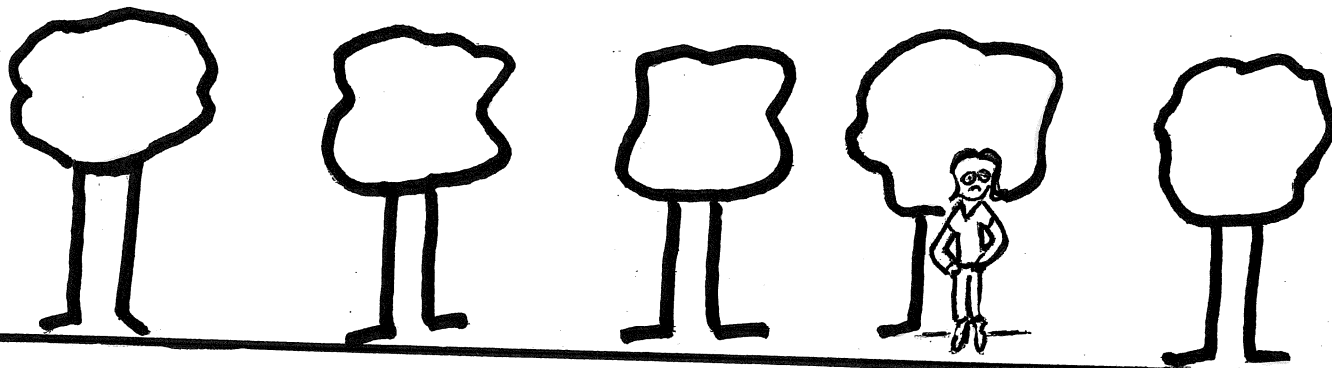

"I got it for the bedroom. Now it will really seem as if we are court side for everything!"

"I thought the agreement was that you would take care of them while they were young,
and they would take care of me when I'm old."

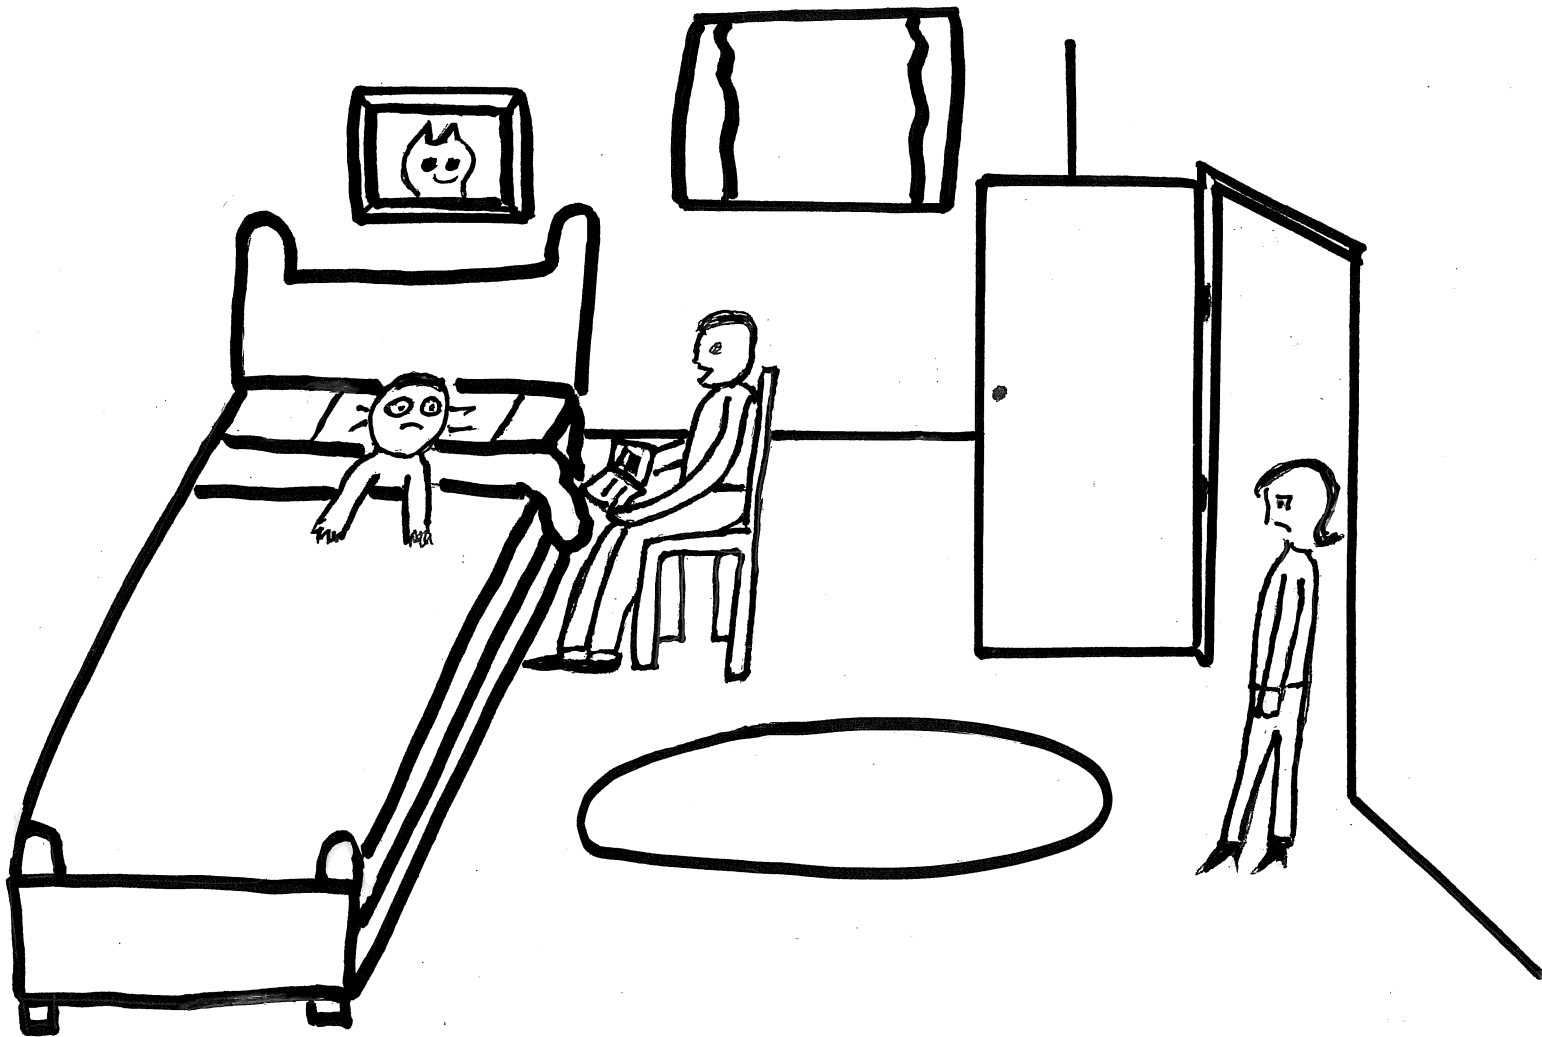

"I got TWO! We've got venison for the whole winter!"

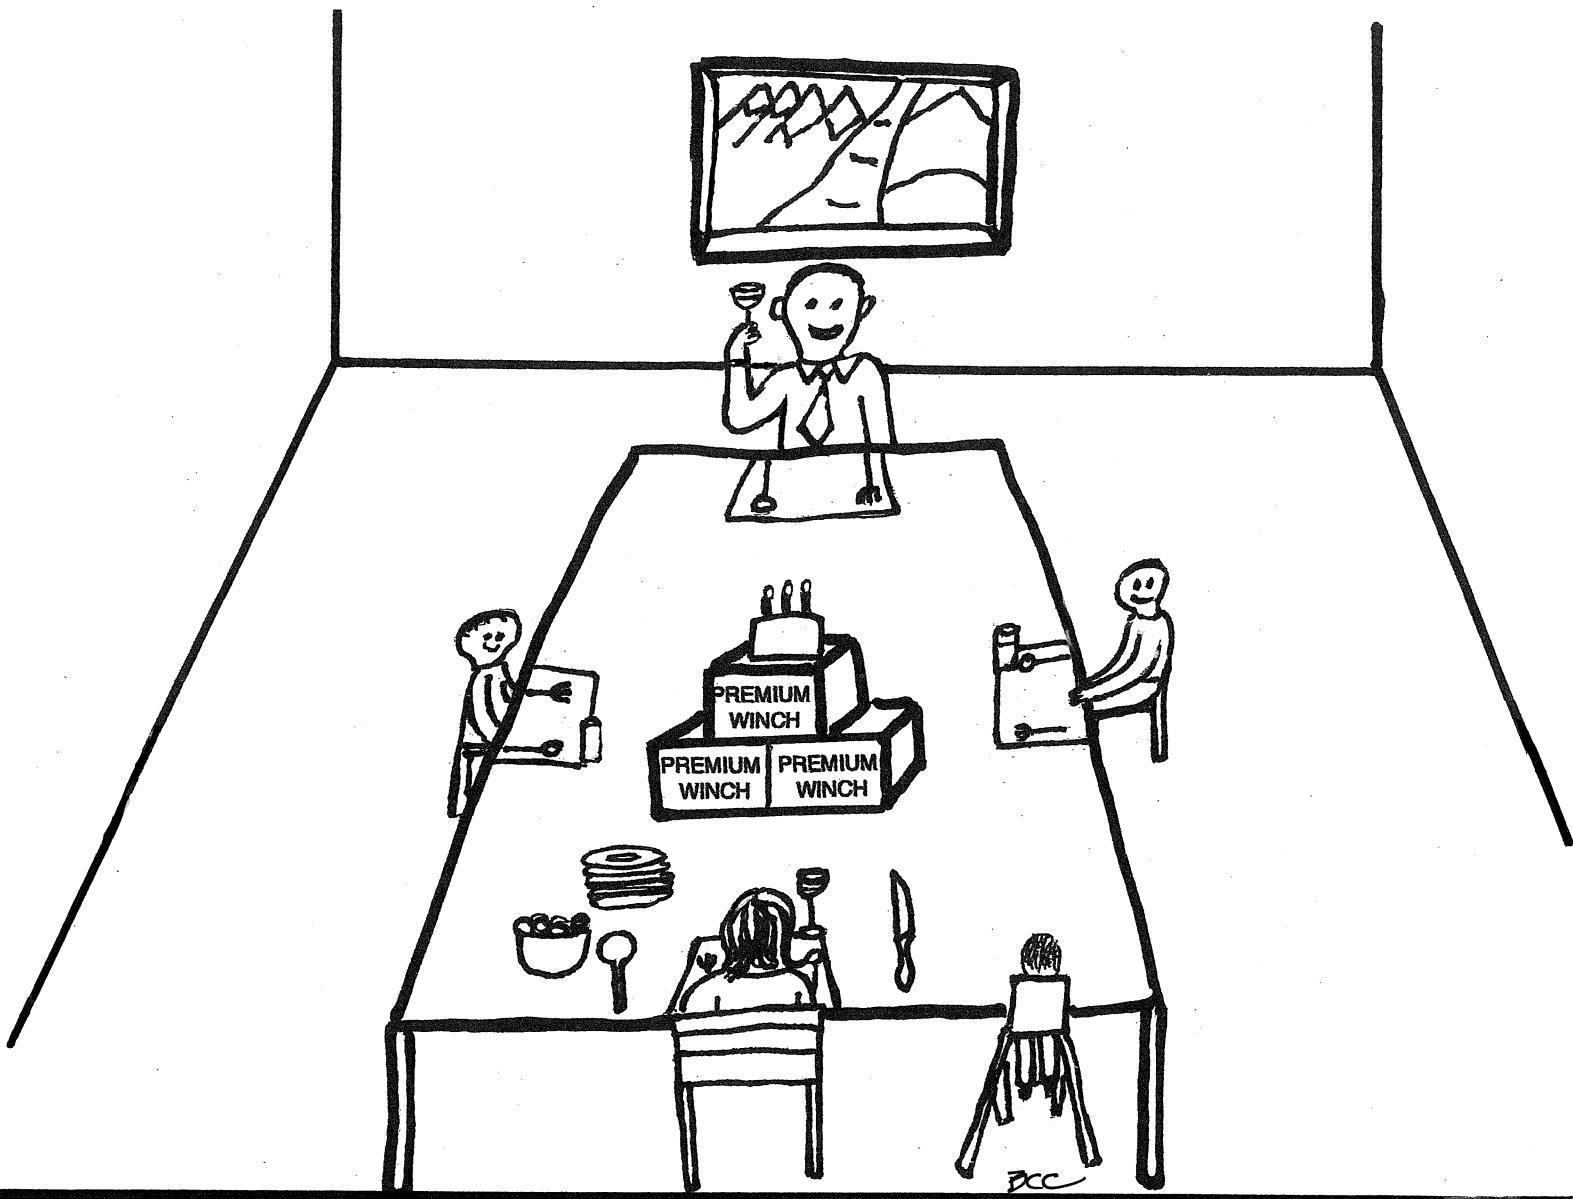

WWE
FCC

"All set?"

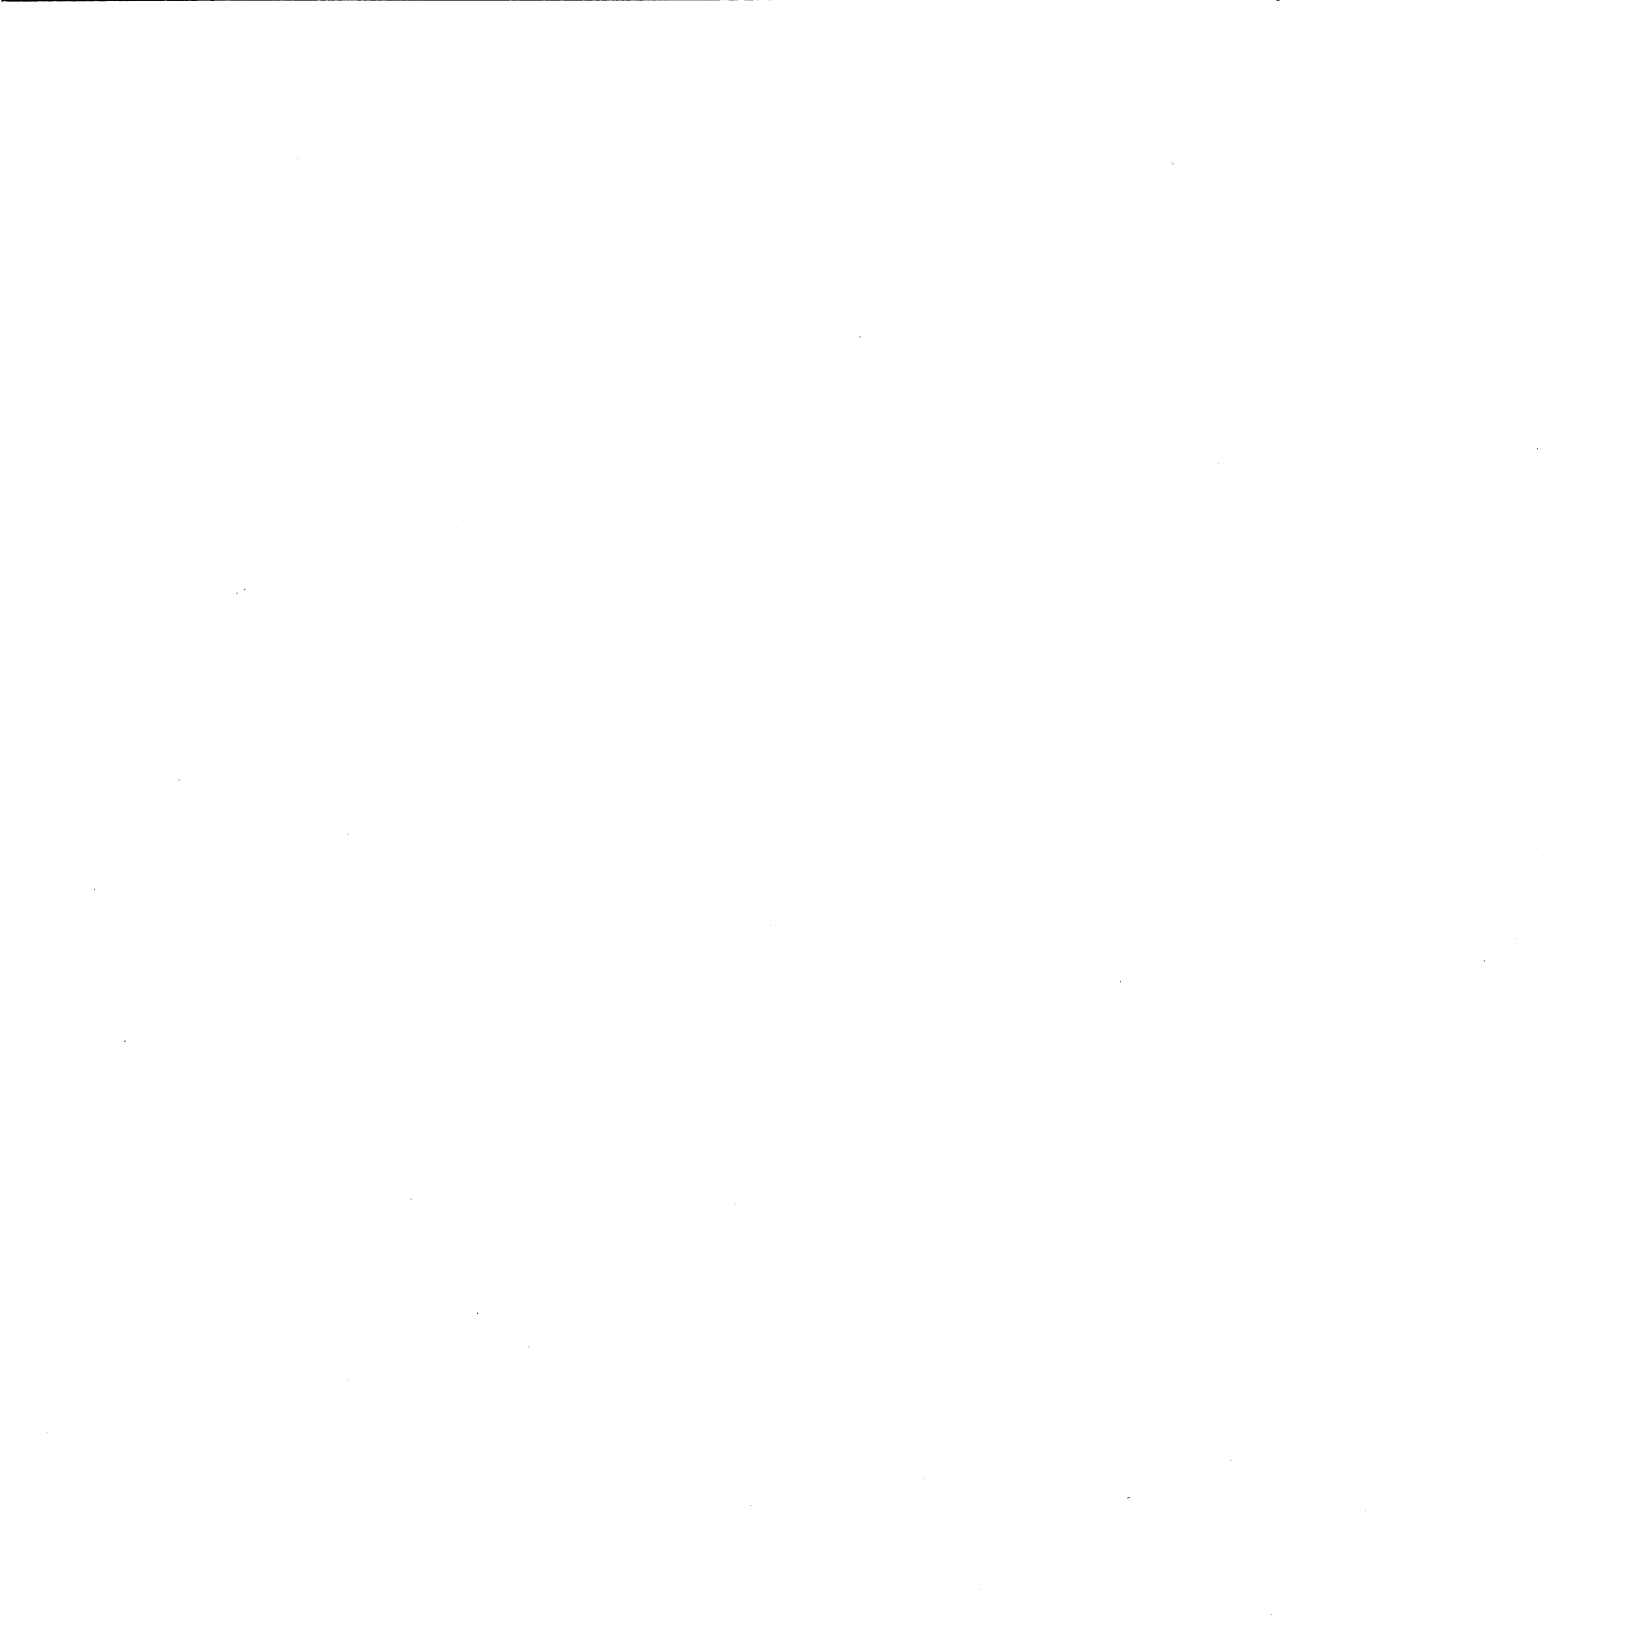

Rcc/
BCC

**"And then a wailing banshee flew in the window and locked the door
so the little boy's parents couldn't come in to save him."**

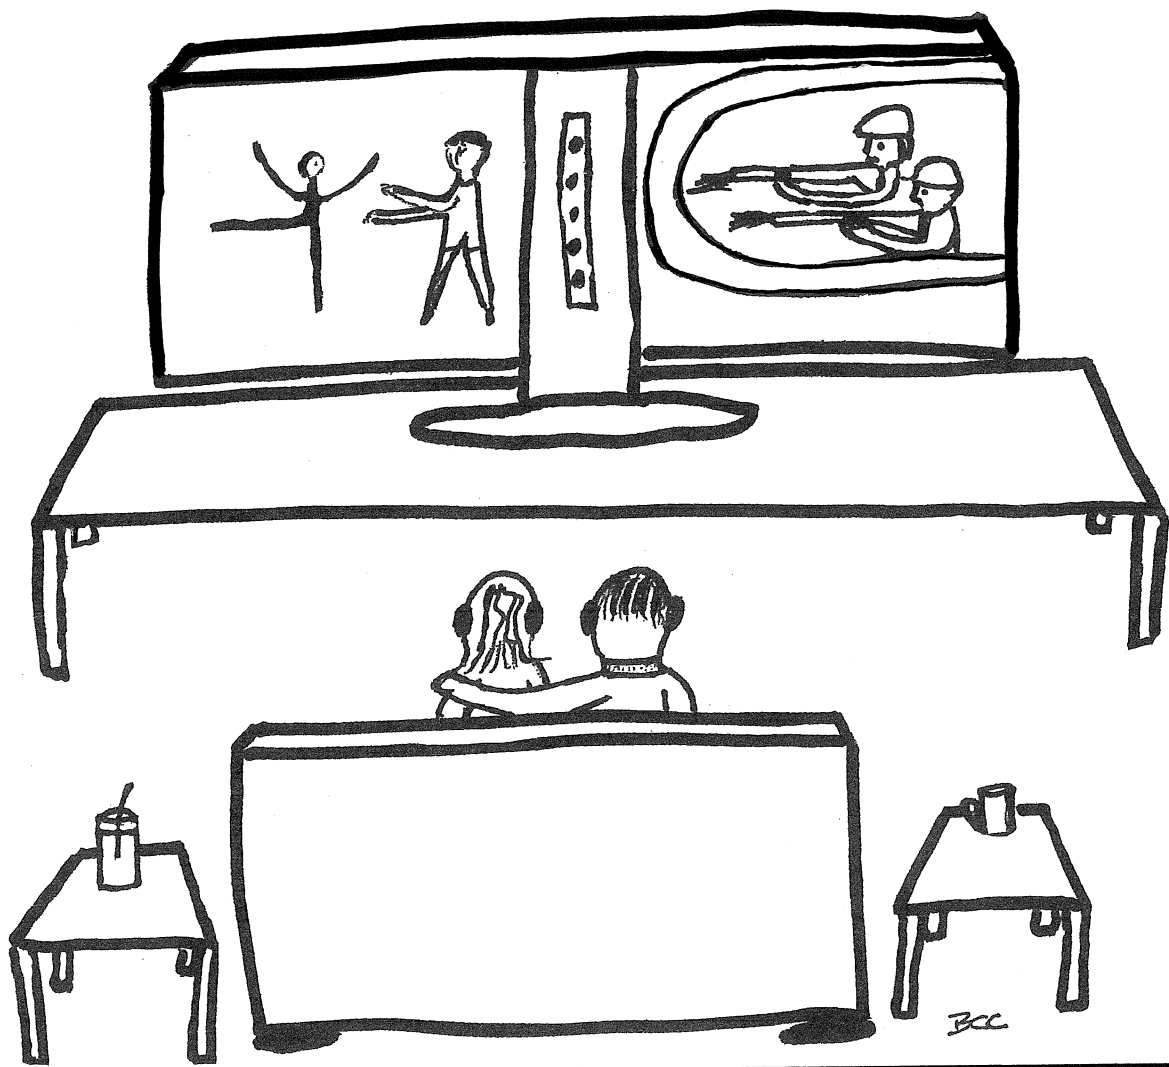

"Happy Birthday, Darling!"
