With special thanks to
Carol, Jenny, Julia, Ellie, Fredericka and Larry
for their insights and suggestions.

Dedicated to all those
who are of the persuasion
of William F. Buckley, Jr. who, on greeting
David Niven when they were both ailing,
suggested they spend five minutes
on health issues and then
move on to
loftier things.

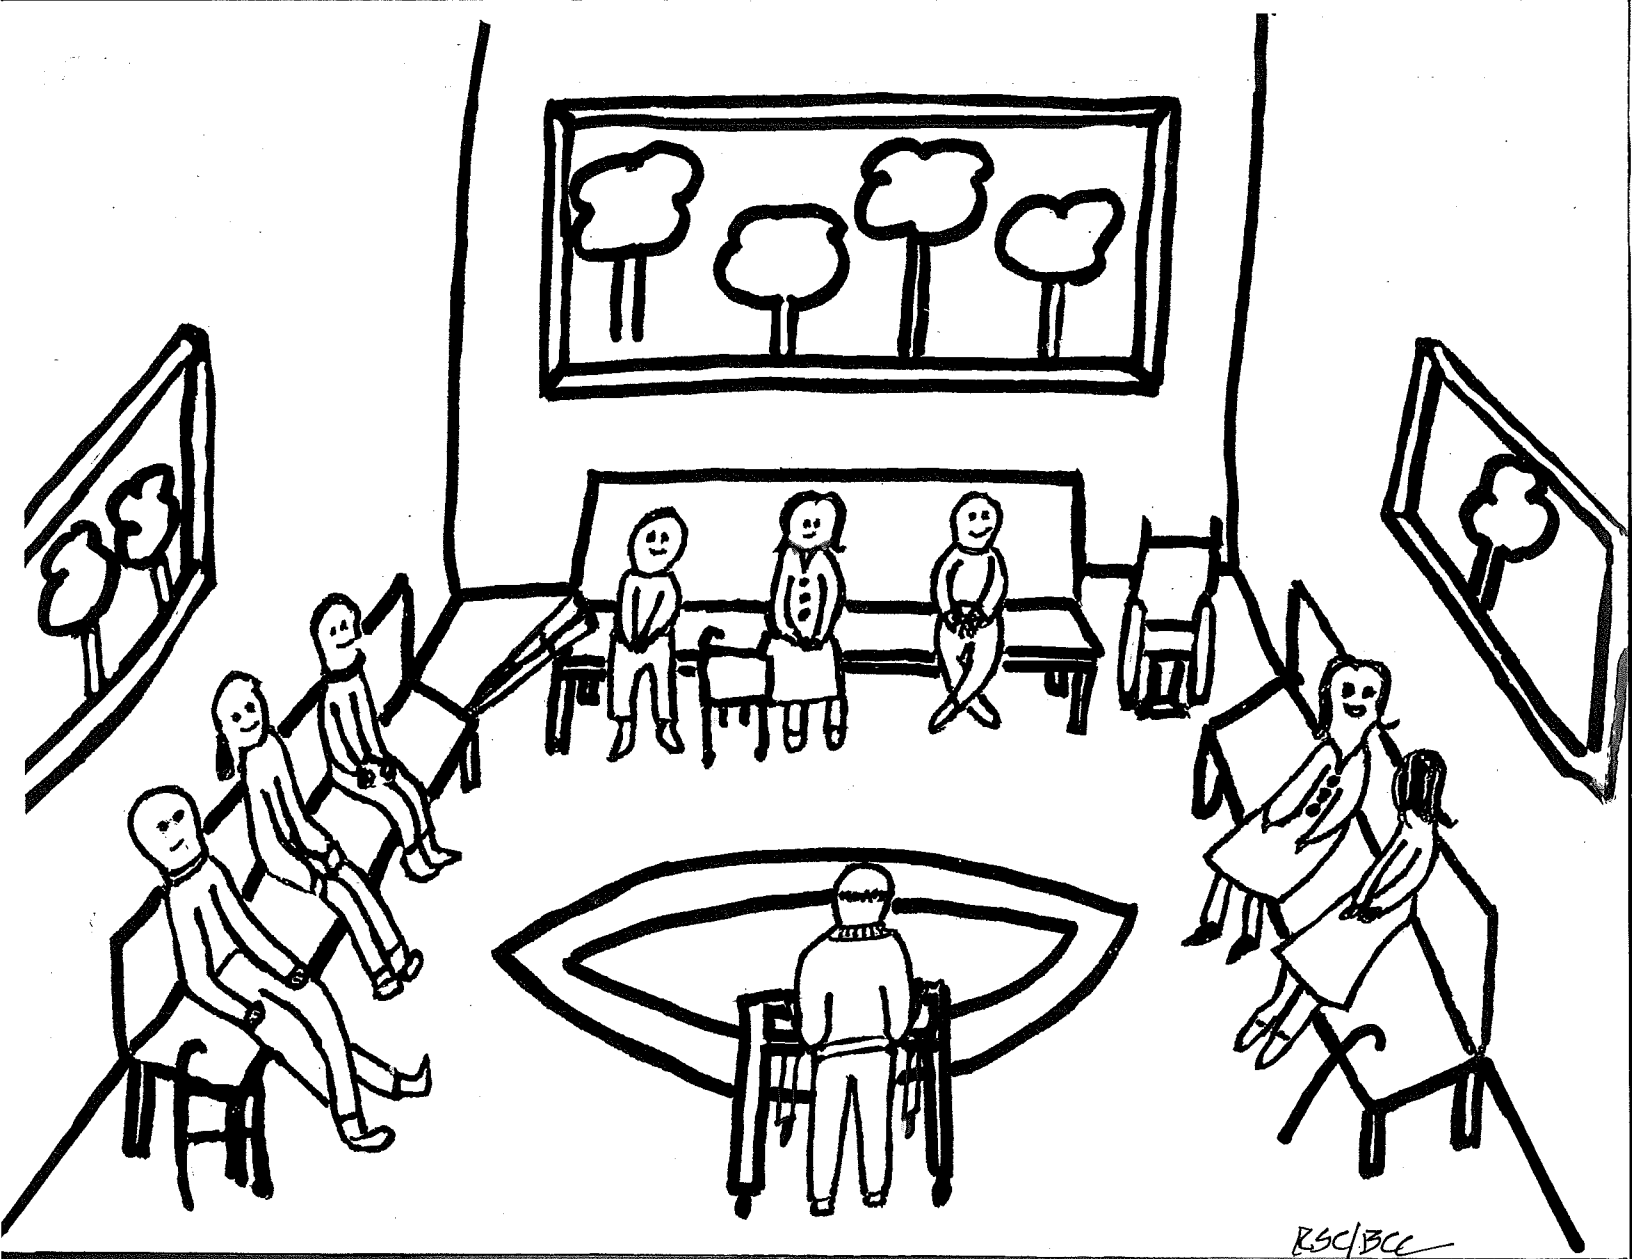

"Edna always DID lie about her age."

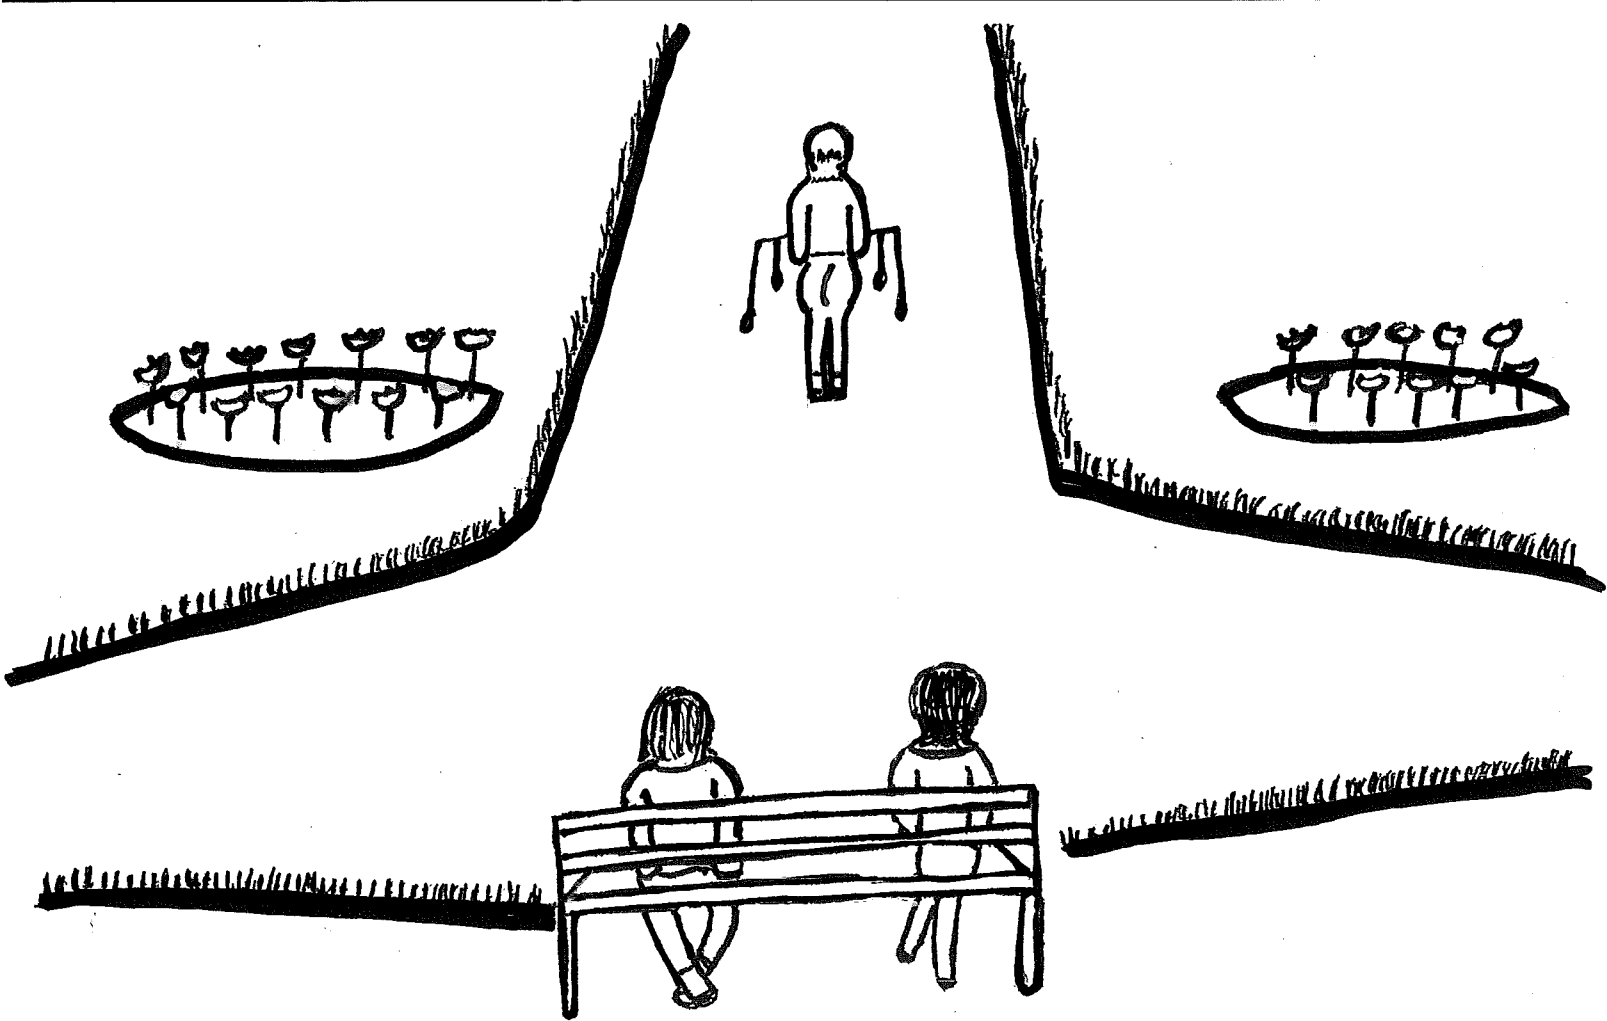

CR/BCE

"Uh, oh. It looks like Lavinia forgot the car again."

"It must be Wednesday. Joe's shirt is right side out."

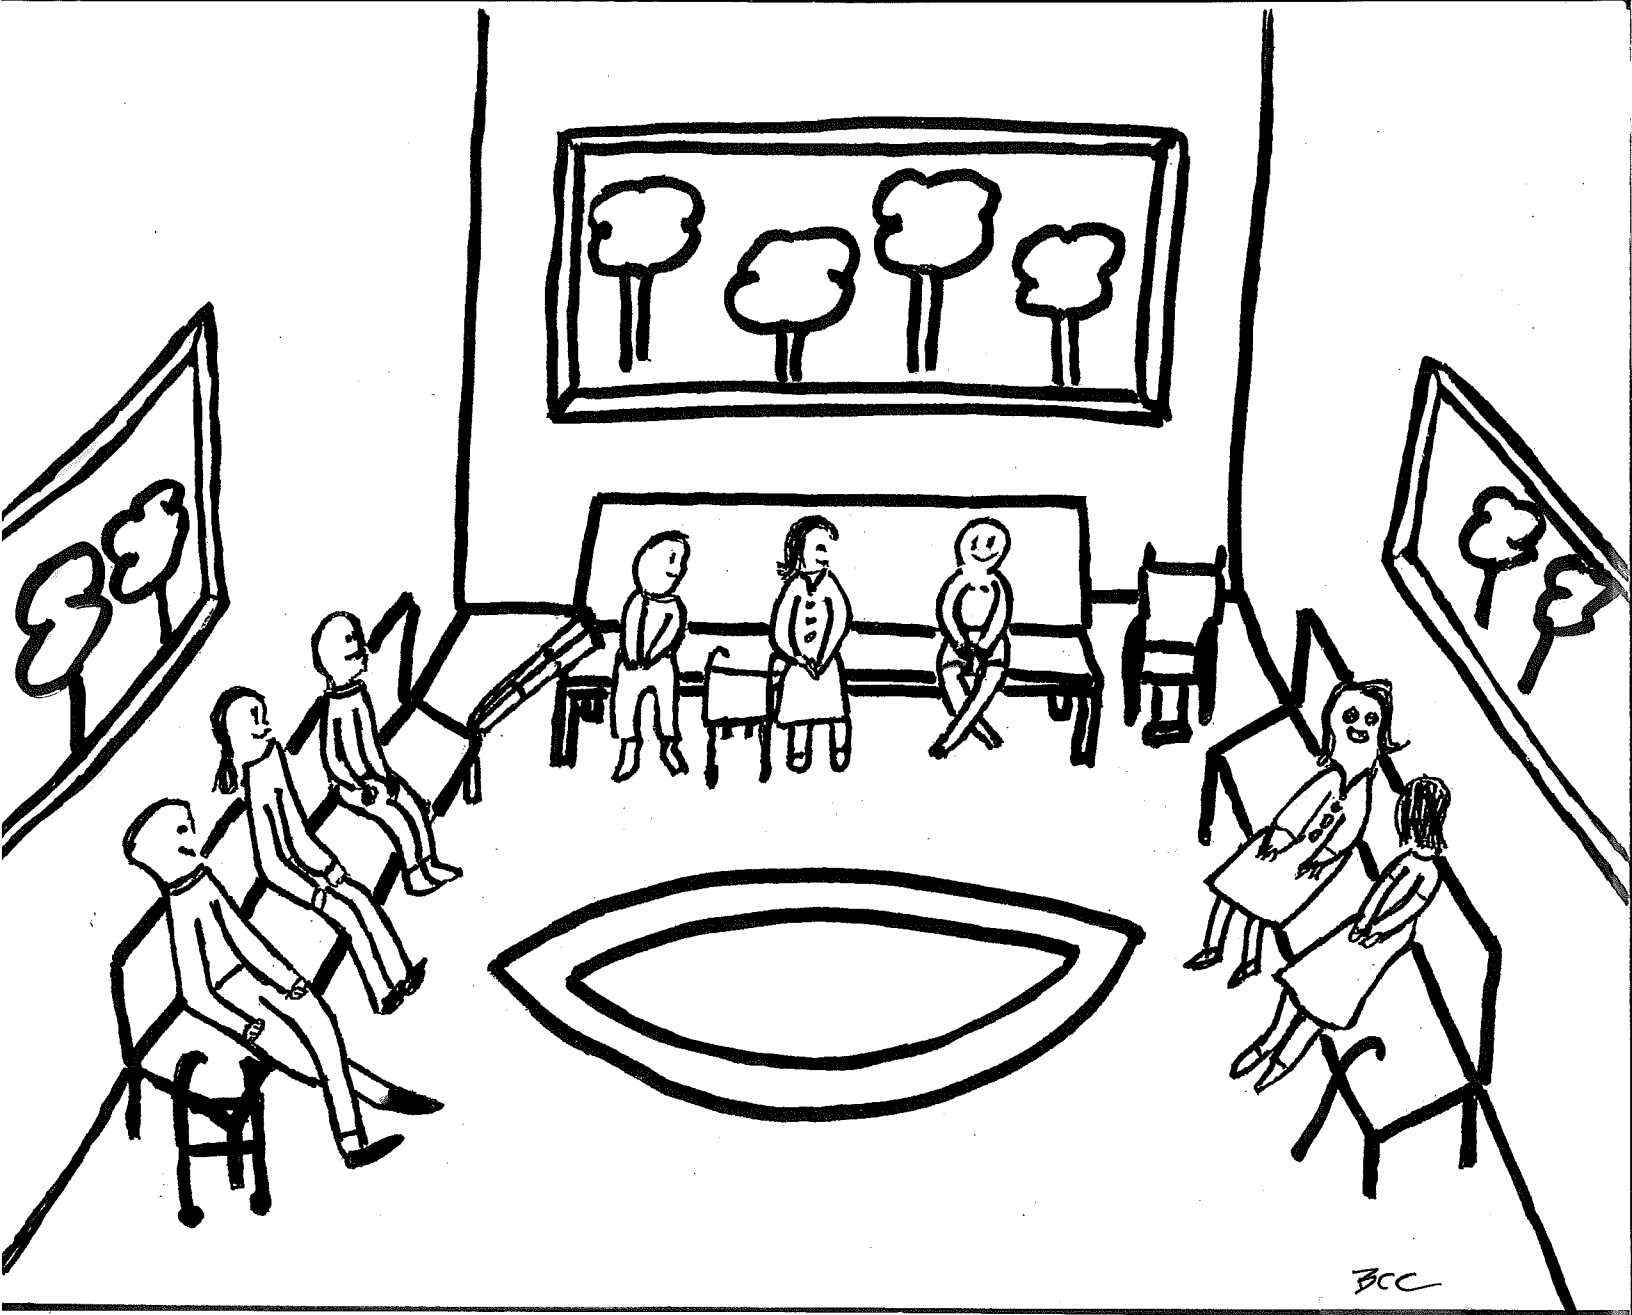

CR/BCC

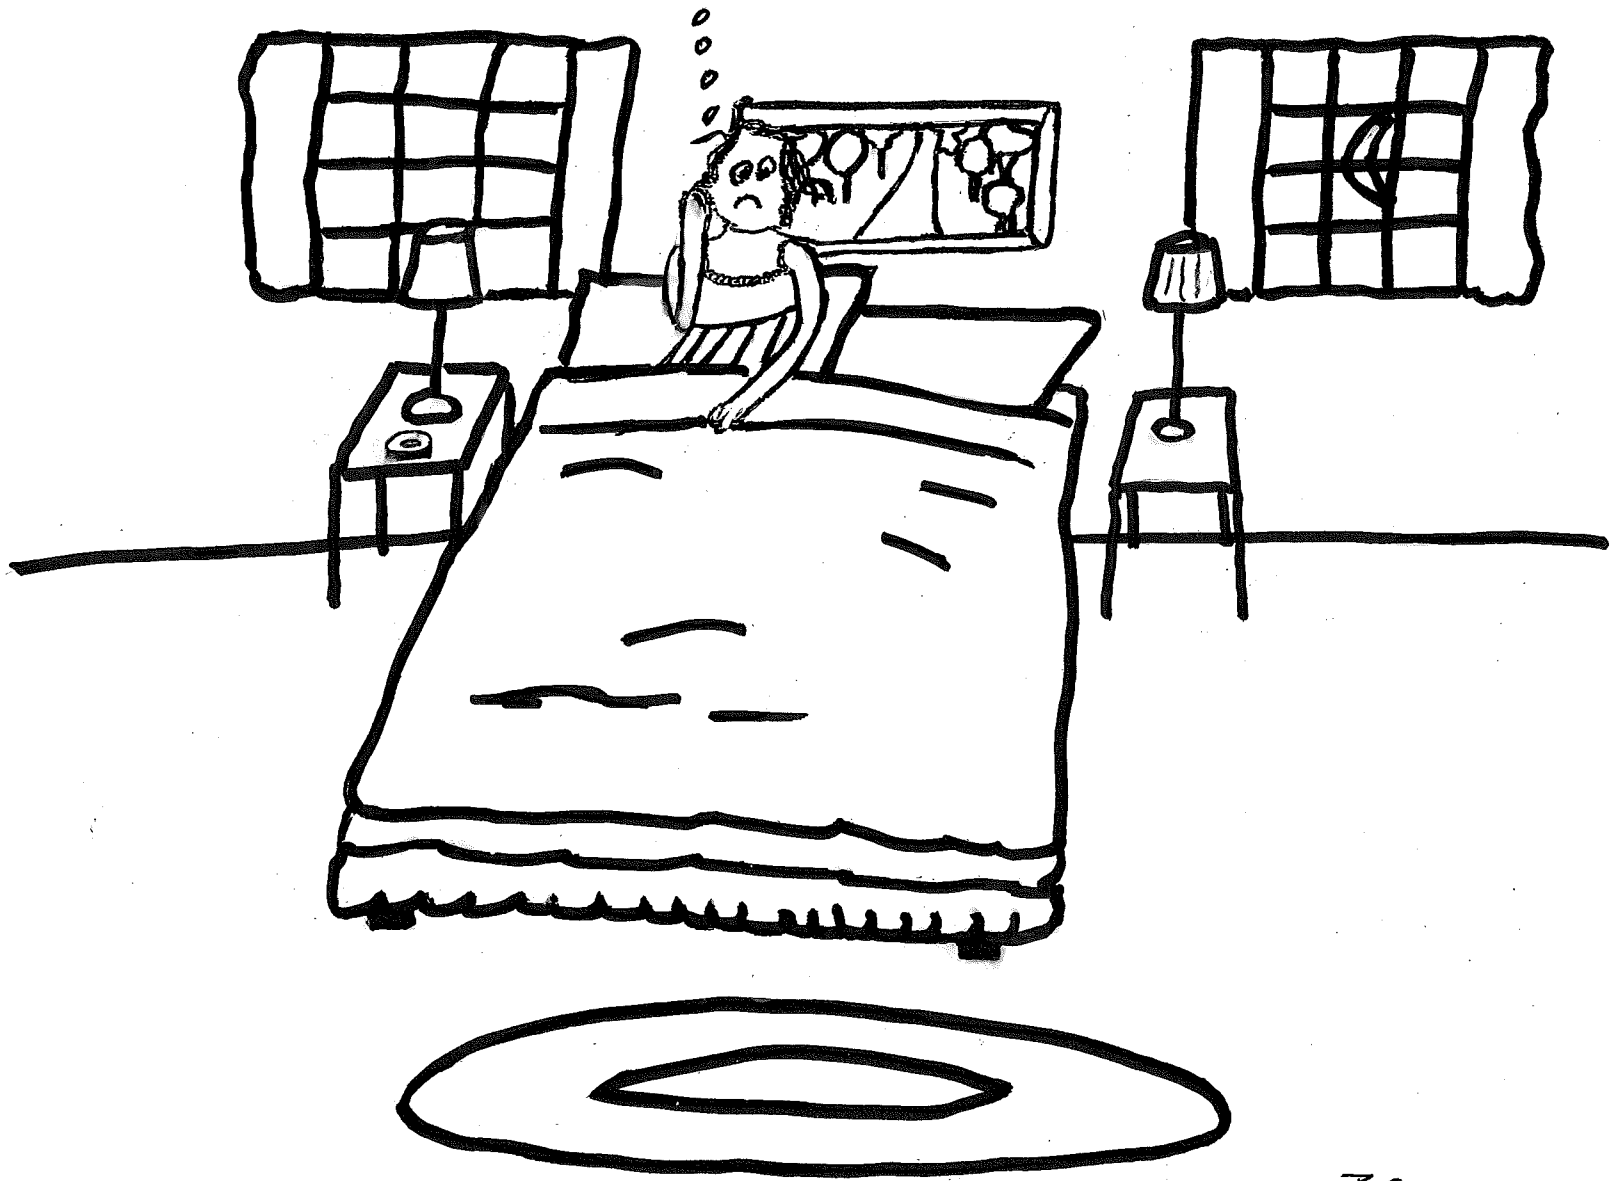

"Oh, dear. Should we tell him?"

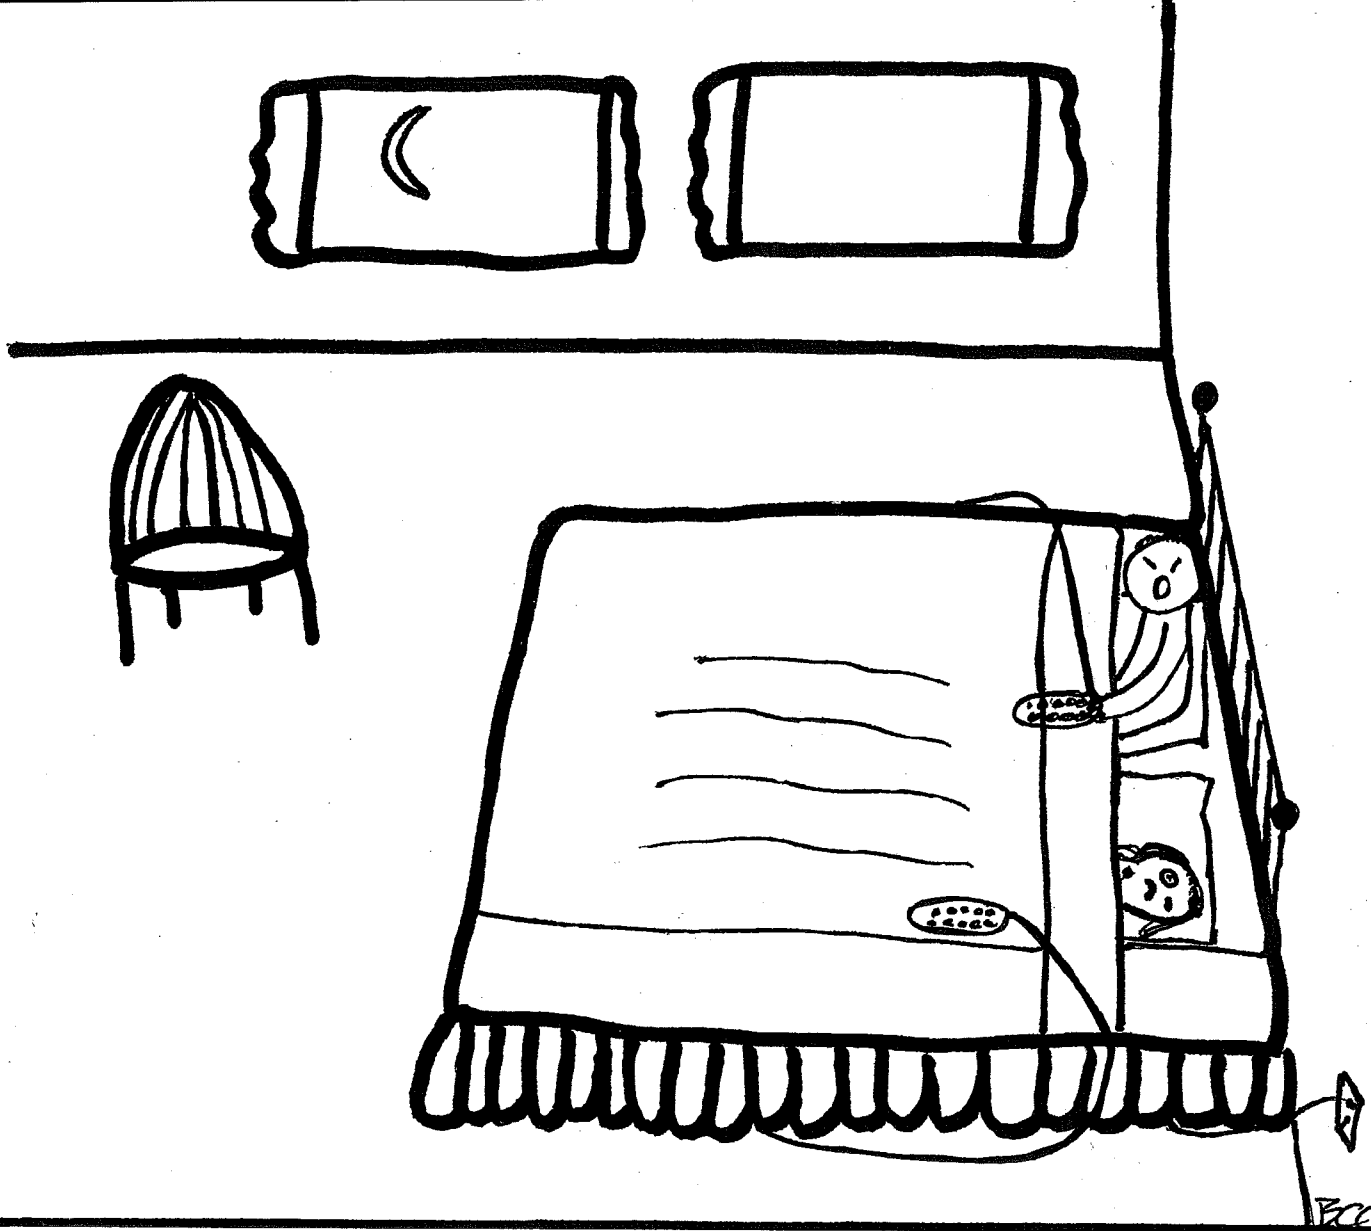

"I remember the time my car broke down in the middle of the desert on Route 66 between Needles and Amboy, and I had to spend the night in the car until finally someone came by..."

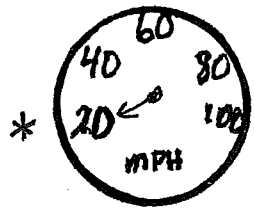

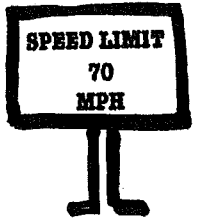

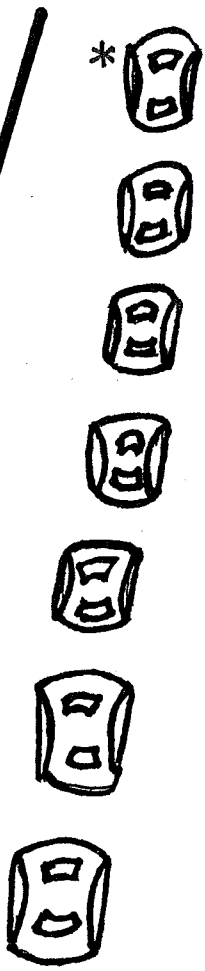

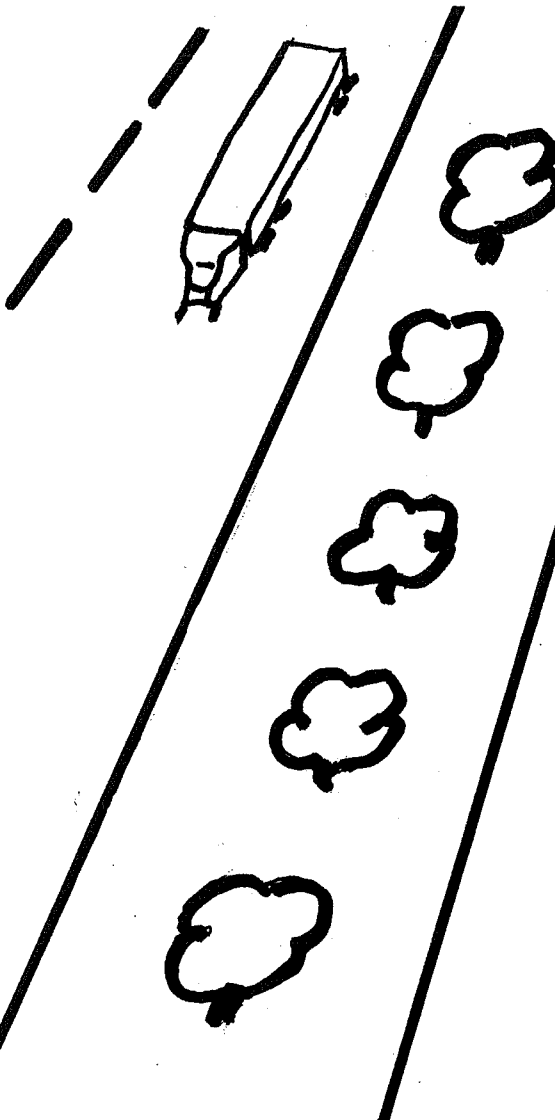

"I see Mr. Foster's turned up his thermostat again."

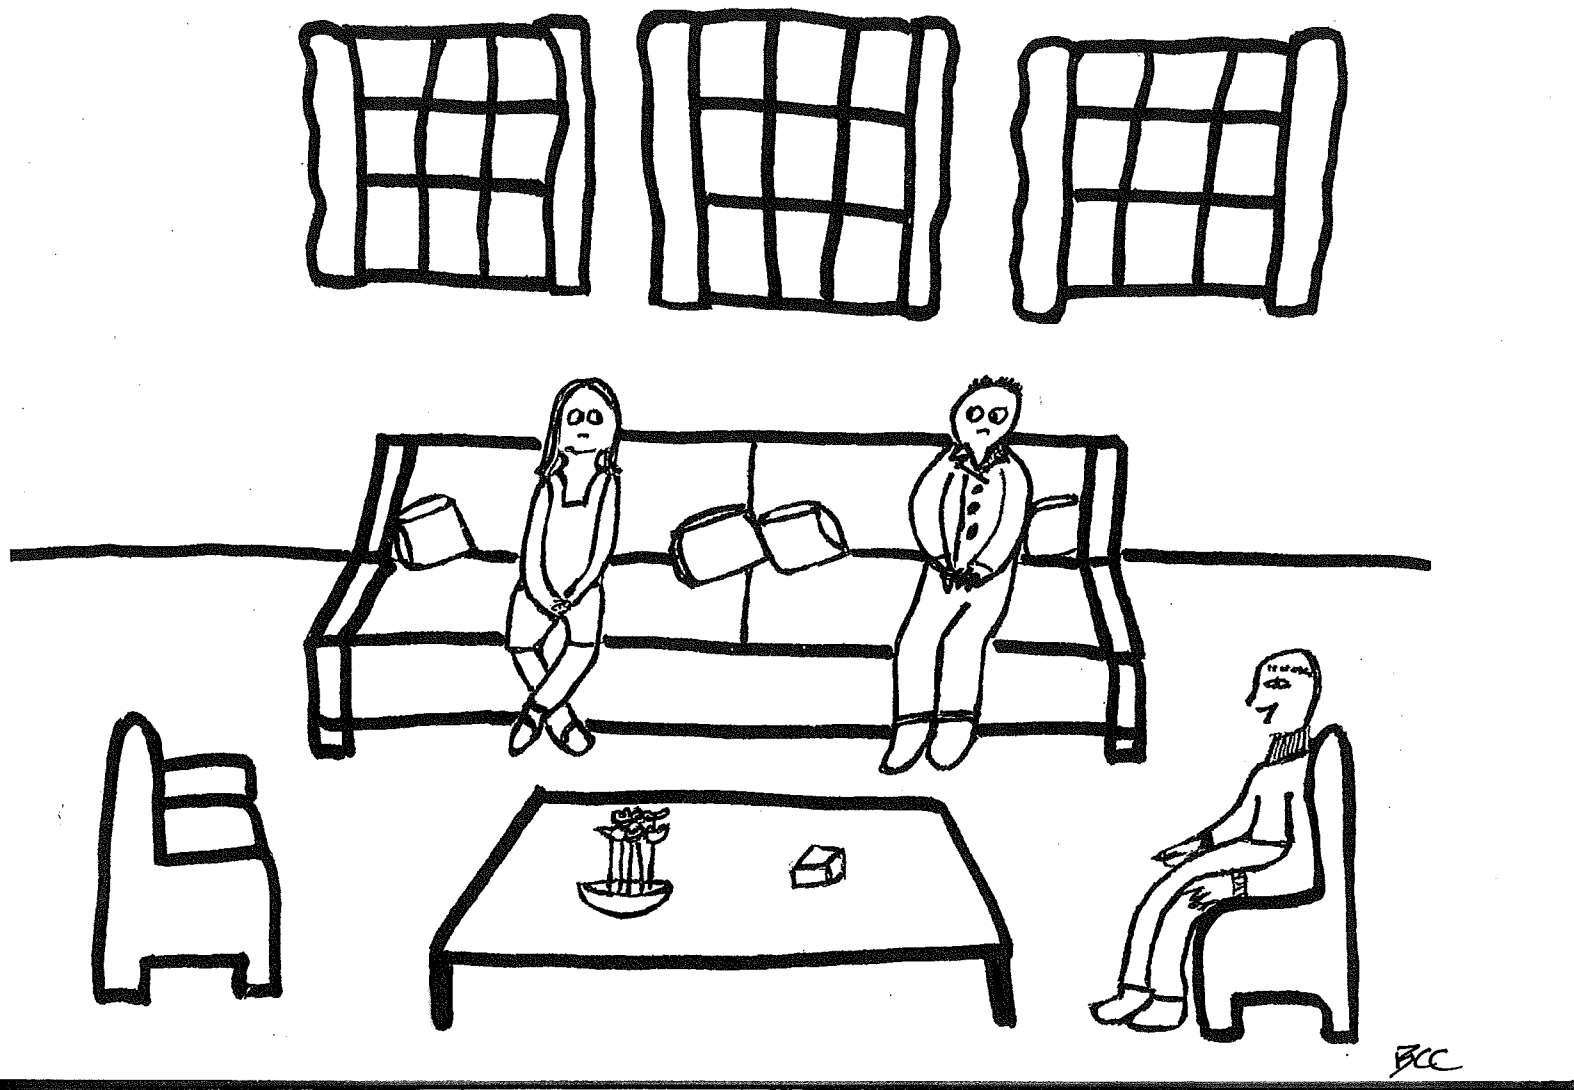

"can you take me to the grocery store Thursday afternoon?"

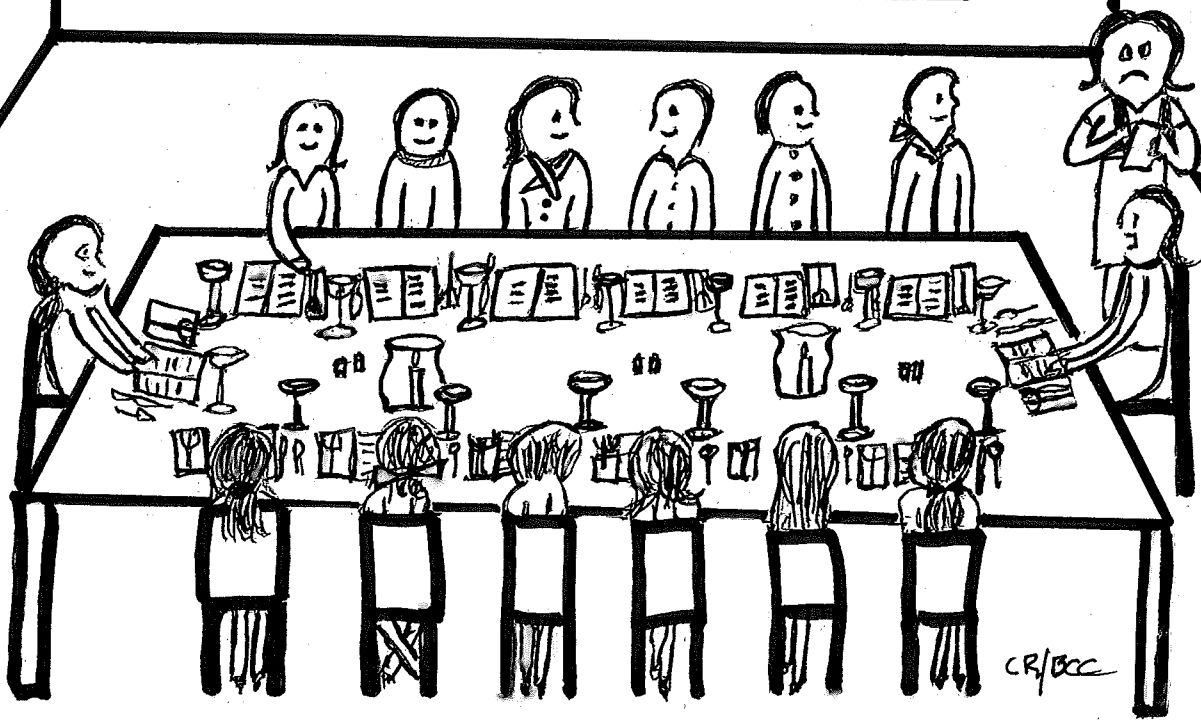

"You turn yours up. I turn mine down. You turn yours up again. I turn my down. Will you PLEASE give me MY control when you put the blanket back on!"

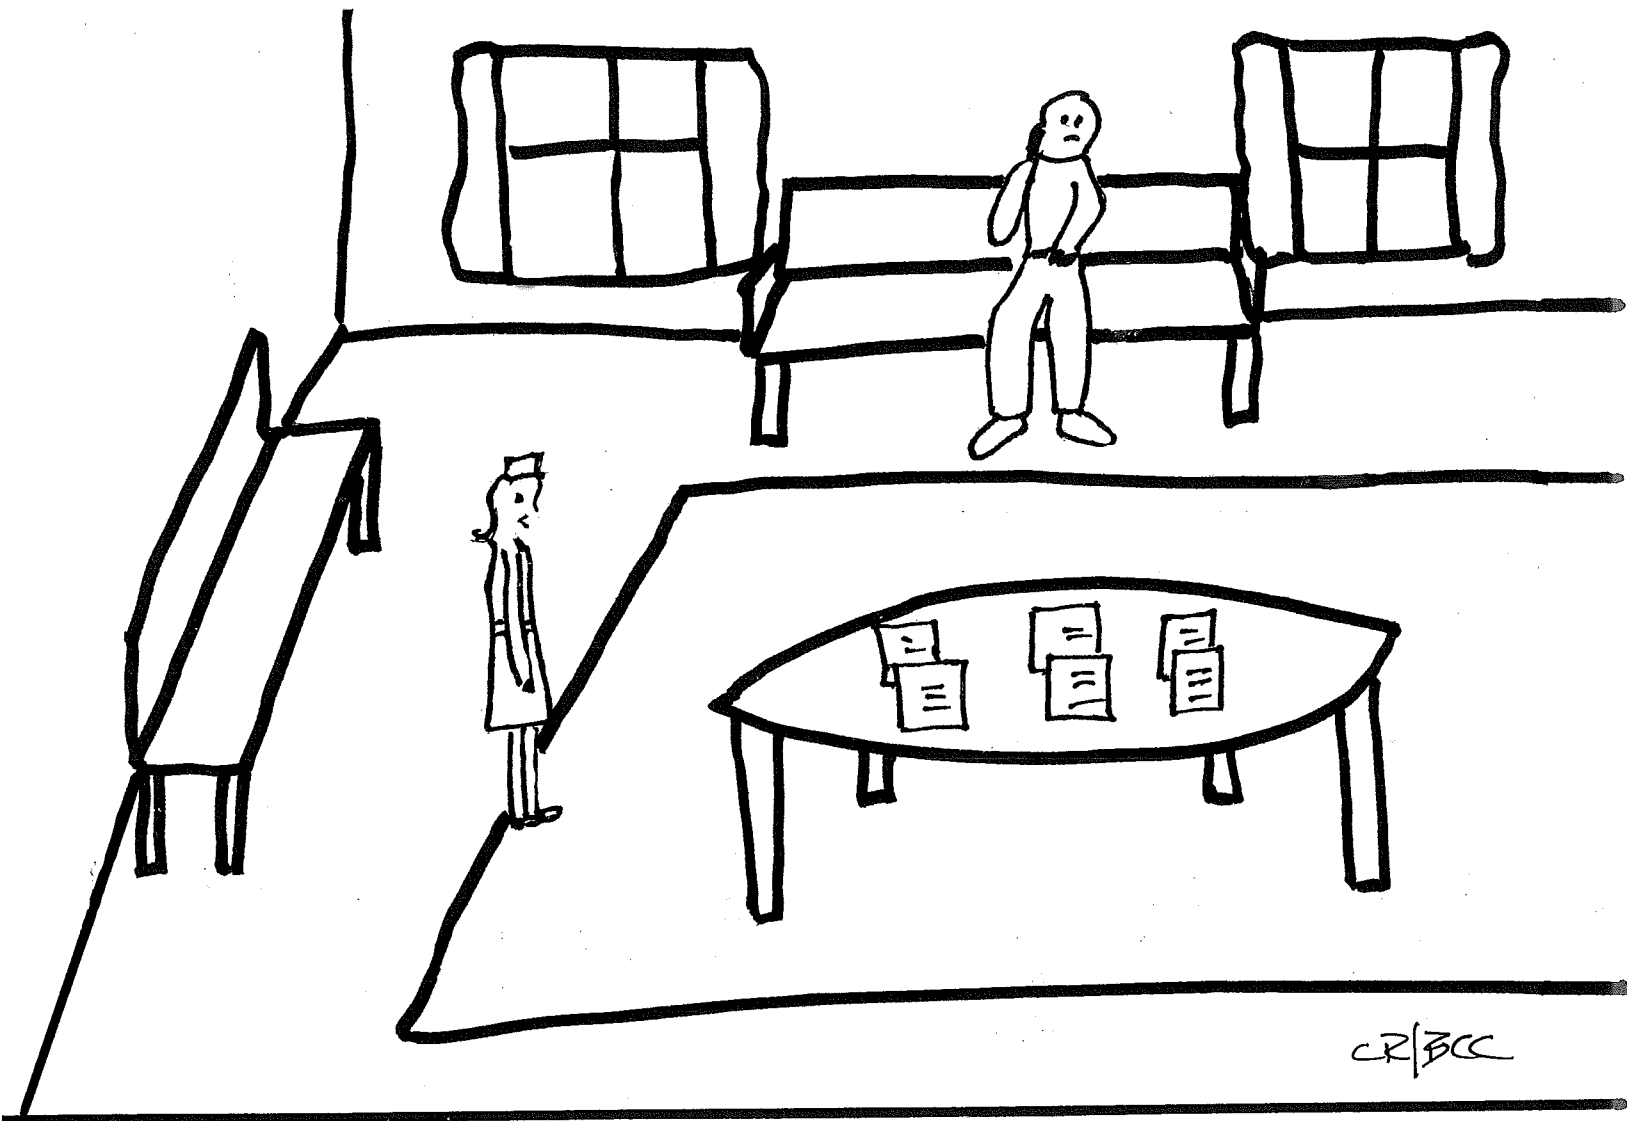

JCC

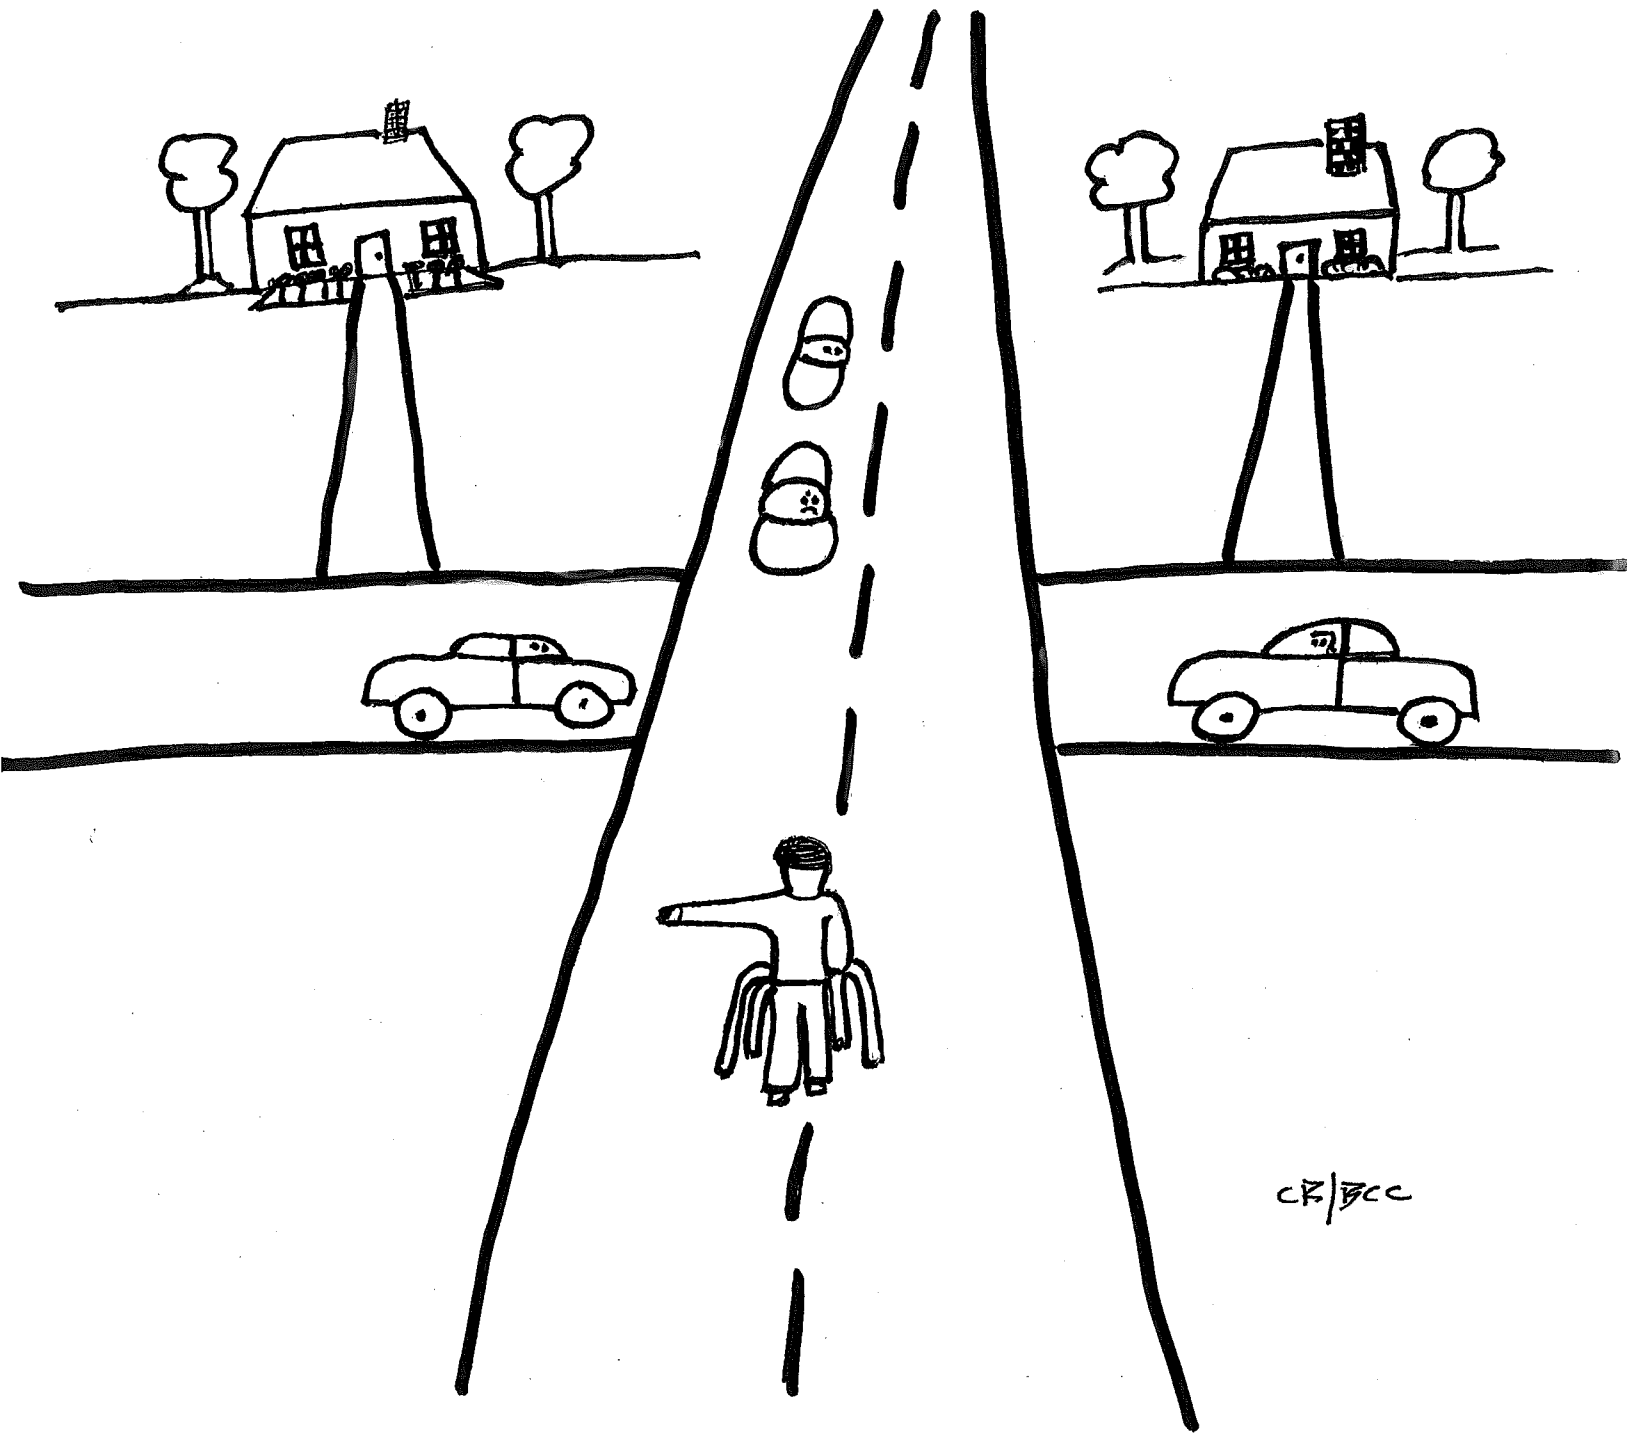

"I remember the time my car broke down in the middle of the desert on Route 66 between Needles and Amboy, and I had to spend...."

"I'll have the sole. The caesar salad to start. No croutons. A glass of Merlot - as long as it's before 1995. And water. No ice. And definitely no lemon. And make that separate checks, please."

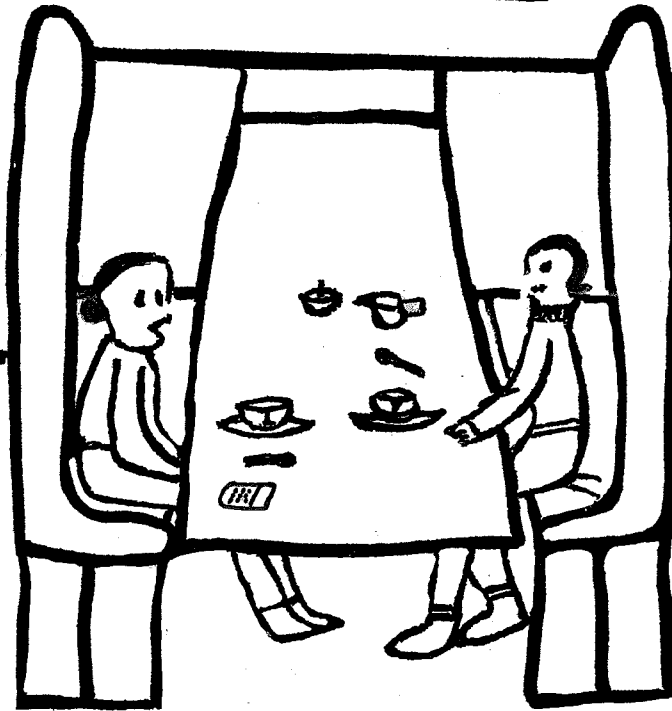

"I'm sorry, Mr. Robson, I don't think you'll be able to reach your daughter with the remote."

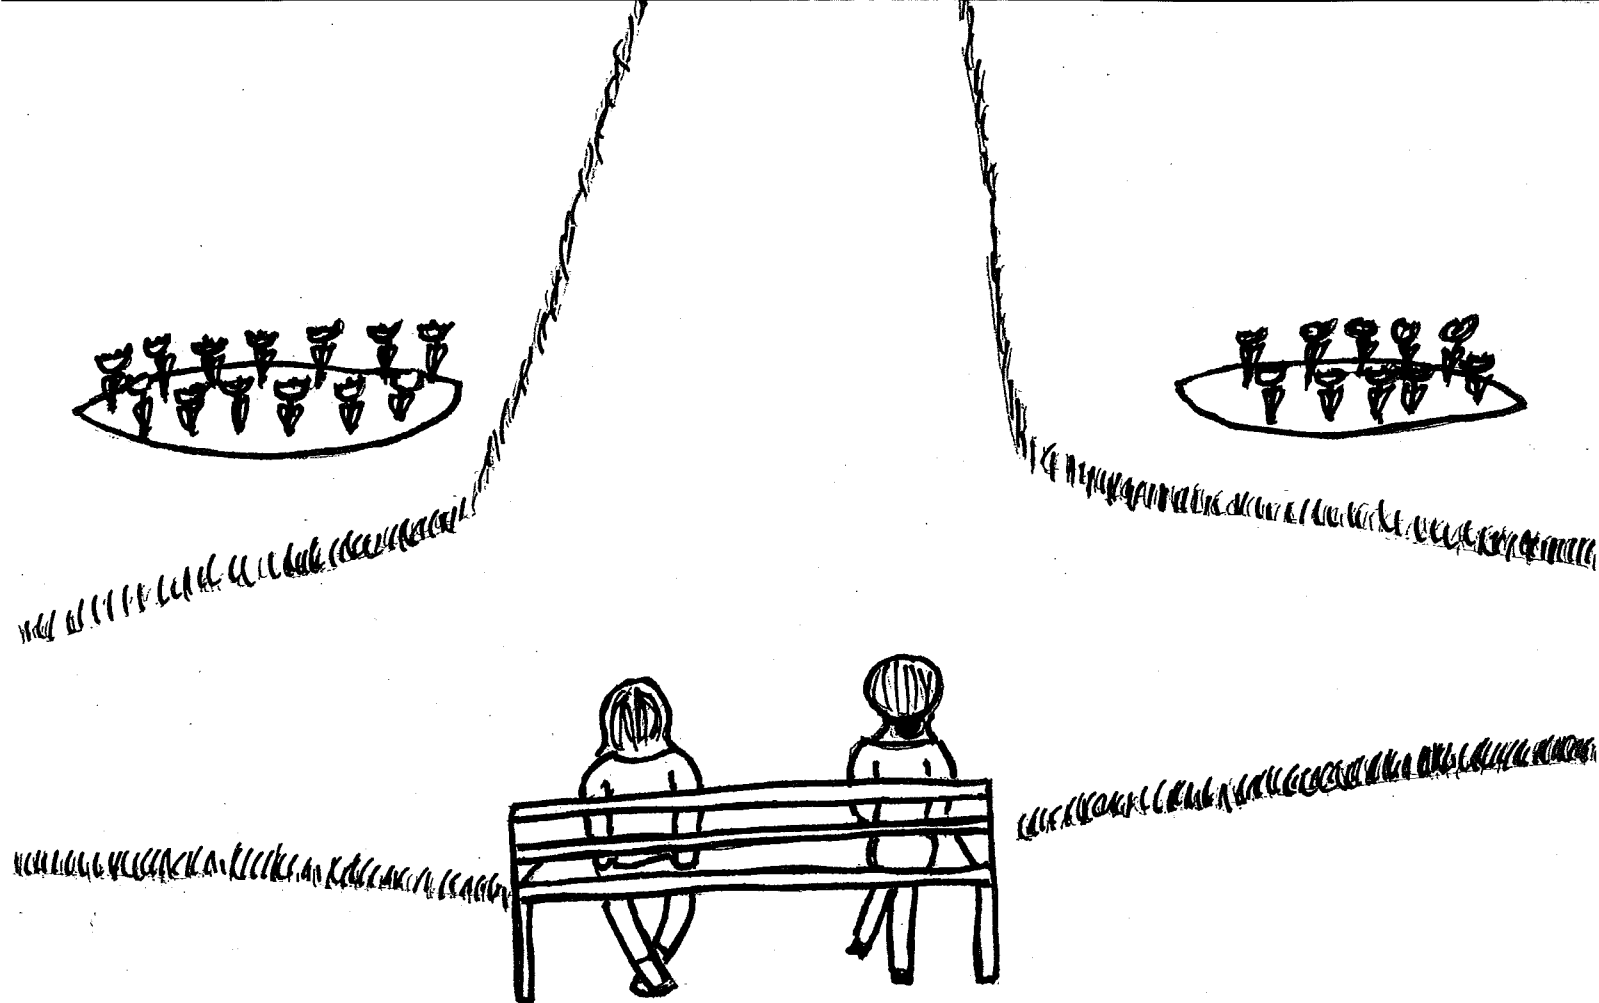

CR/BCC

DINER

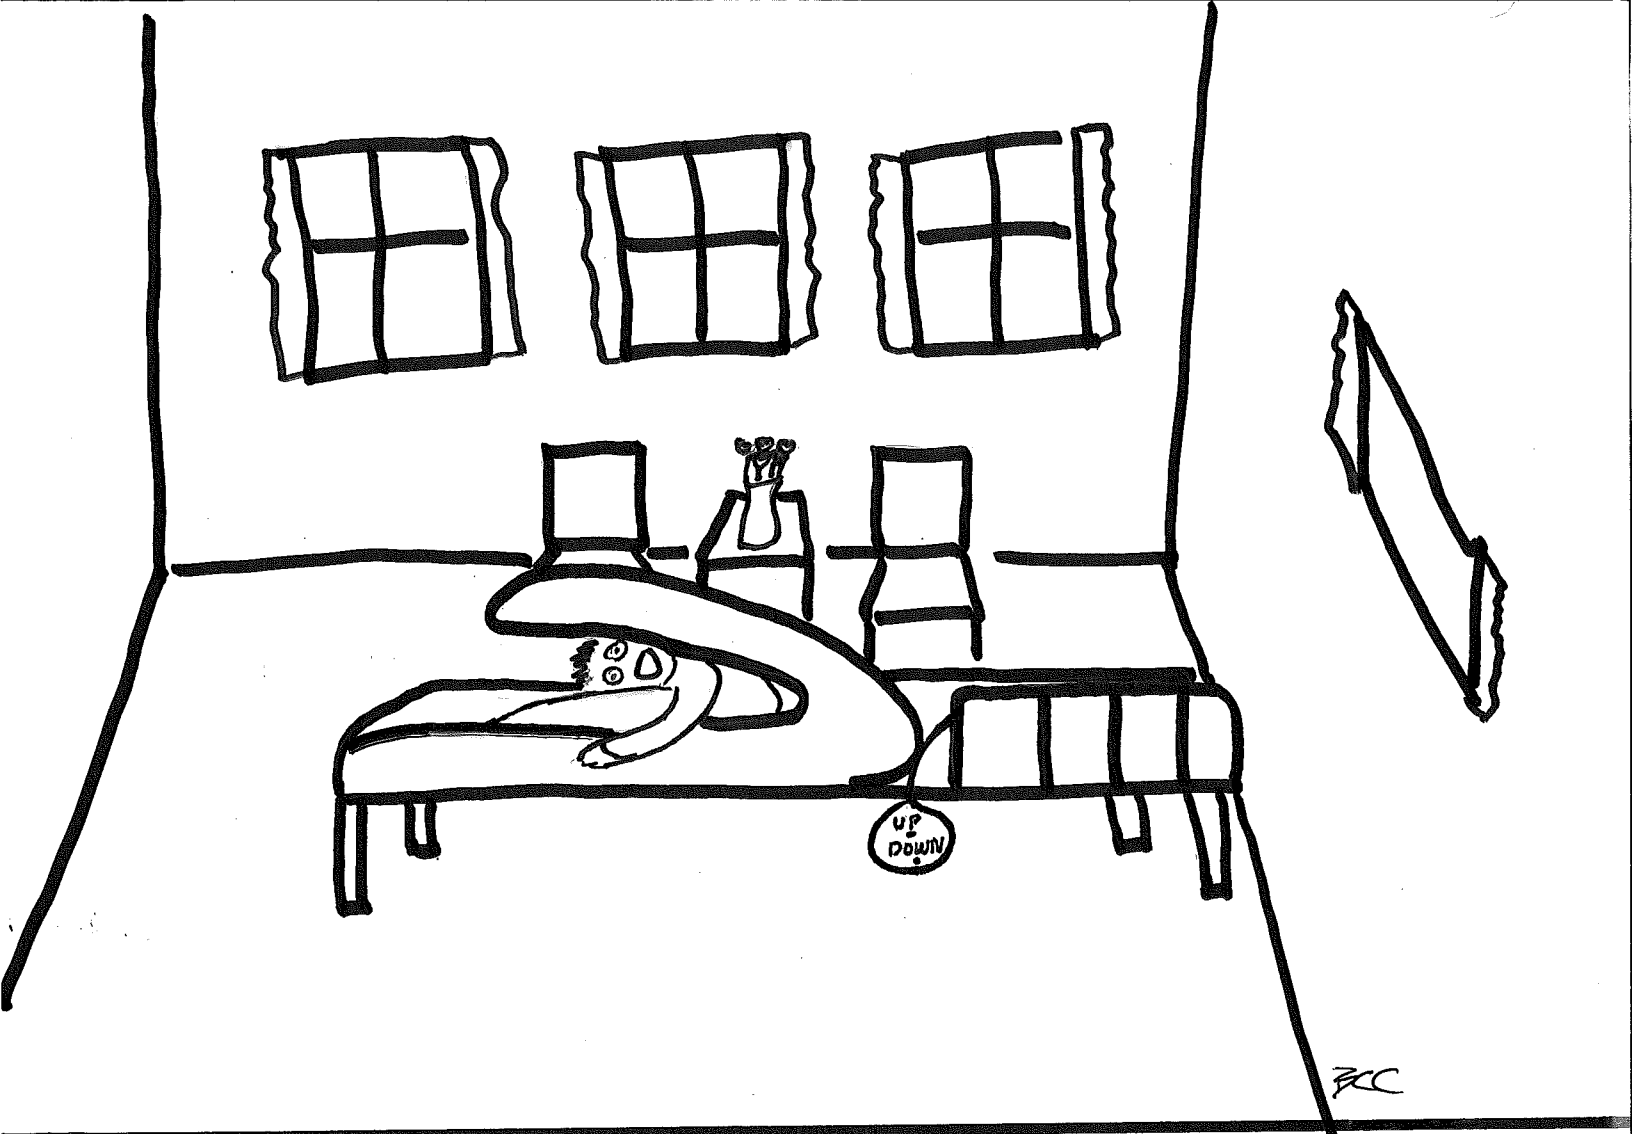

ellieS/ECC

"I've got a smart phone and a smart car.
I would give up my Support Hose for something dumber!"

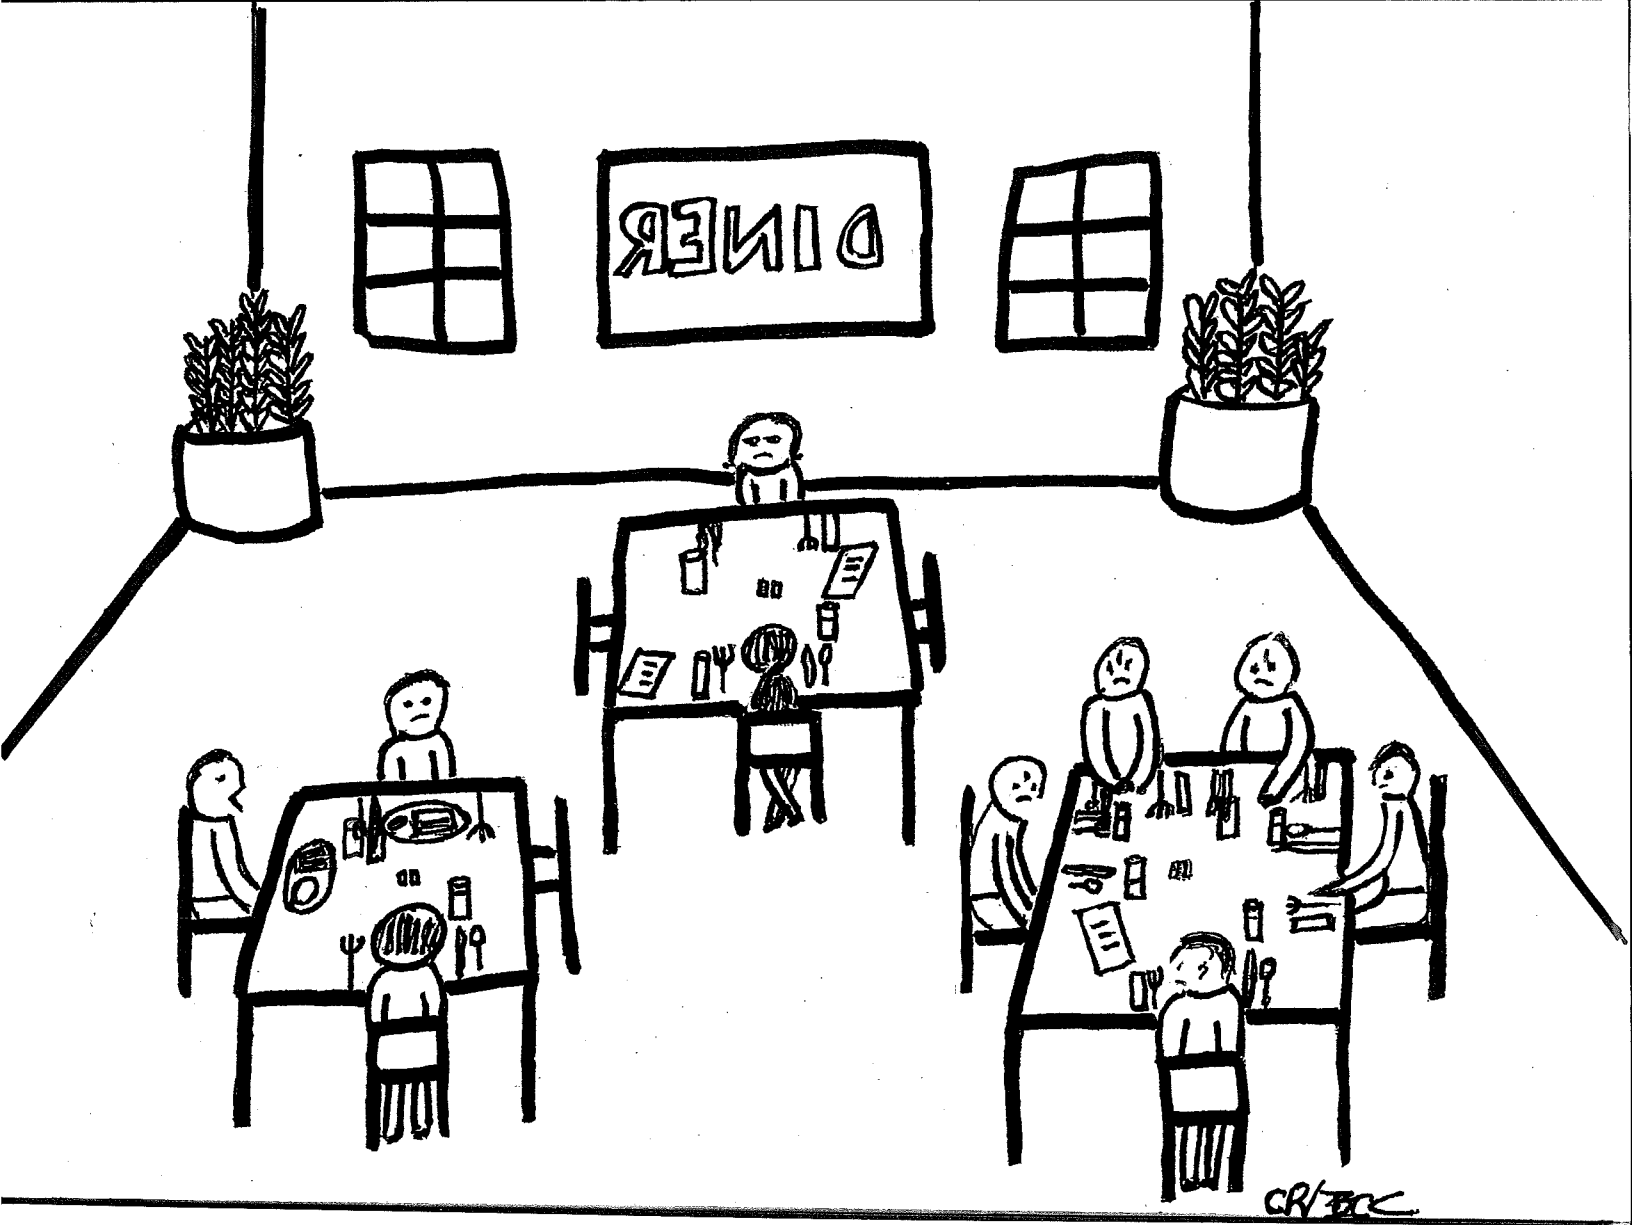

BCC

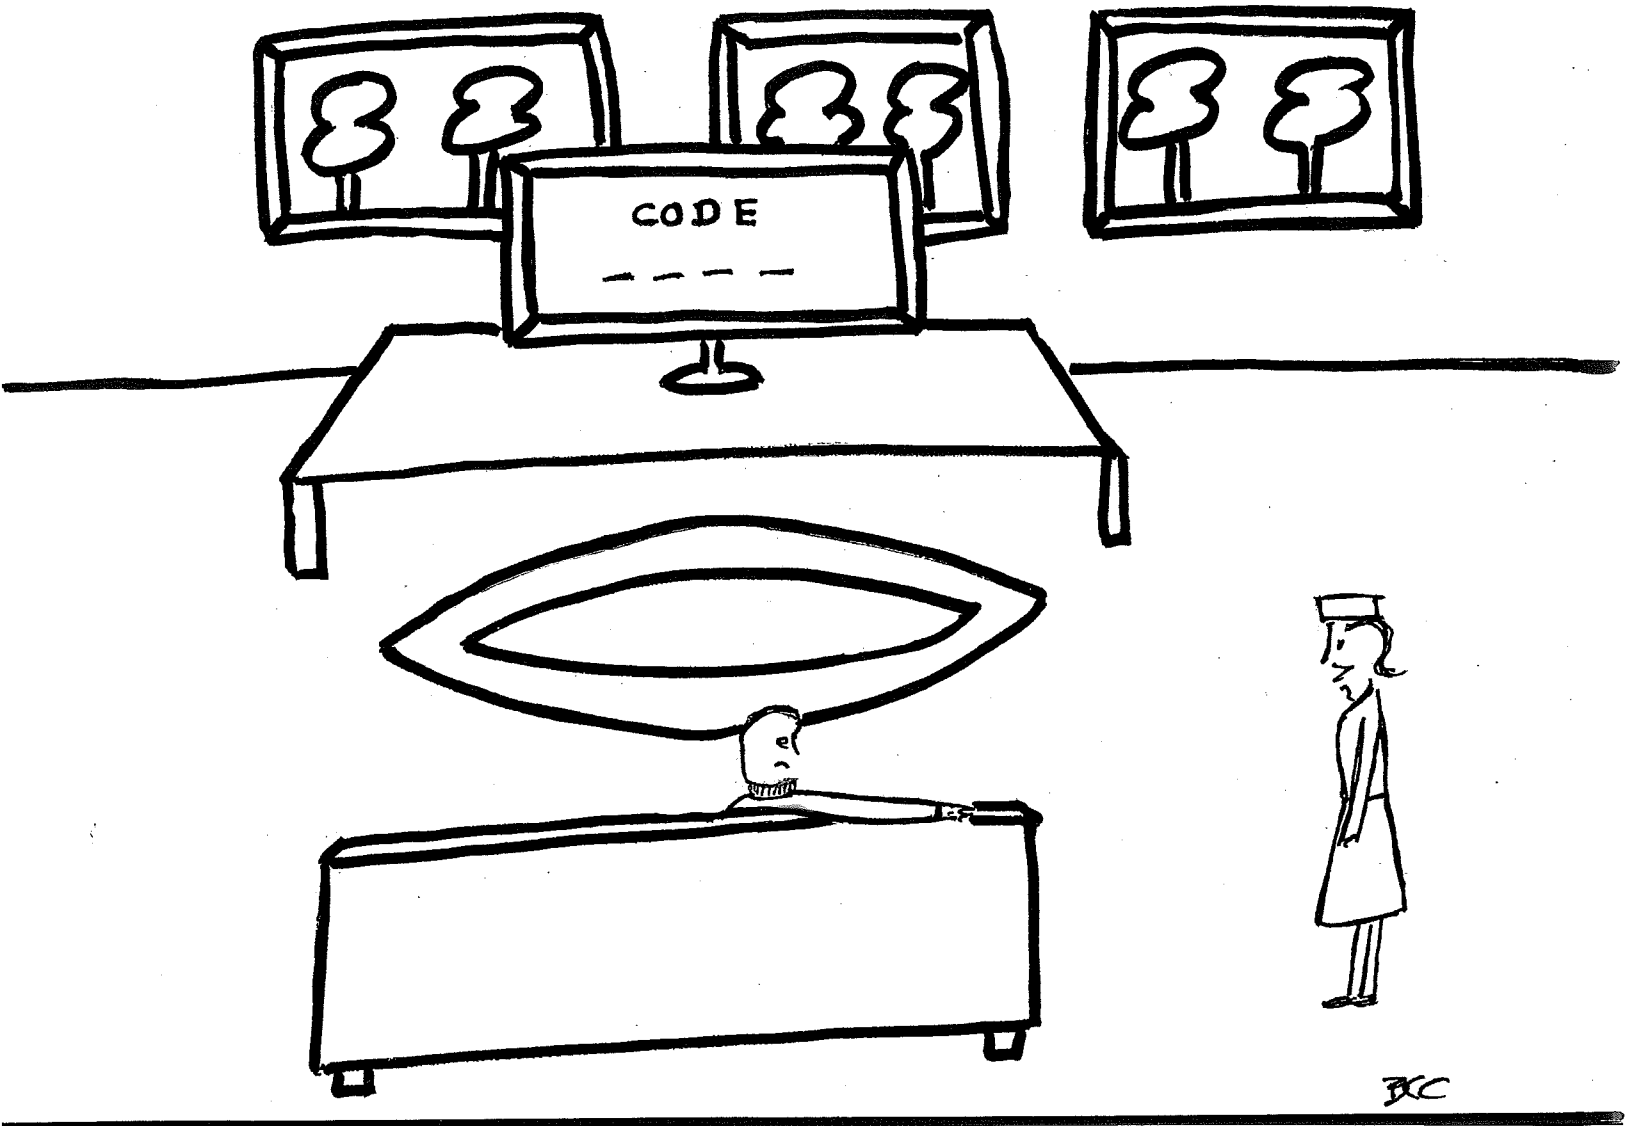

"I used to think we should never put off till tomorrow what could be done today. Now I know we should ALWAYS put off today what can be done tomorrow!"

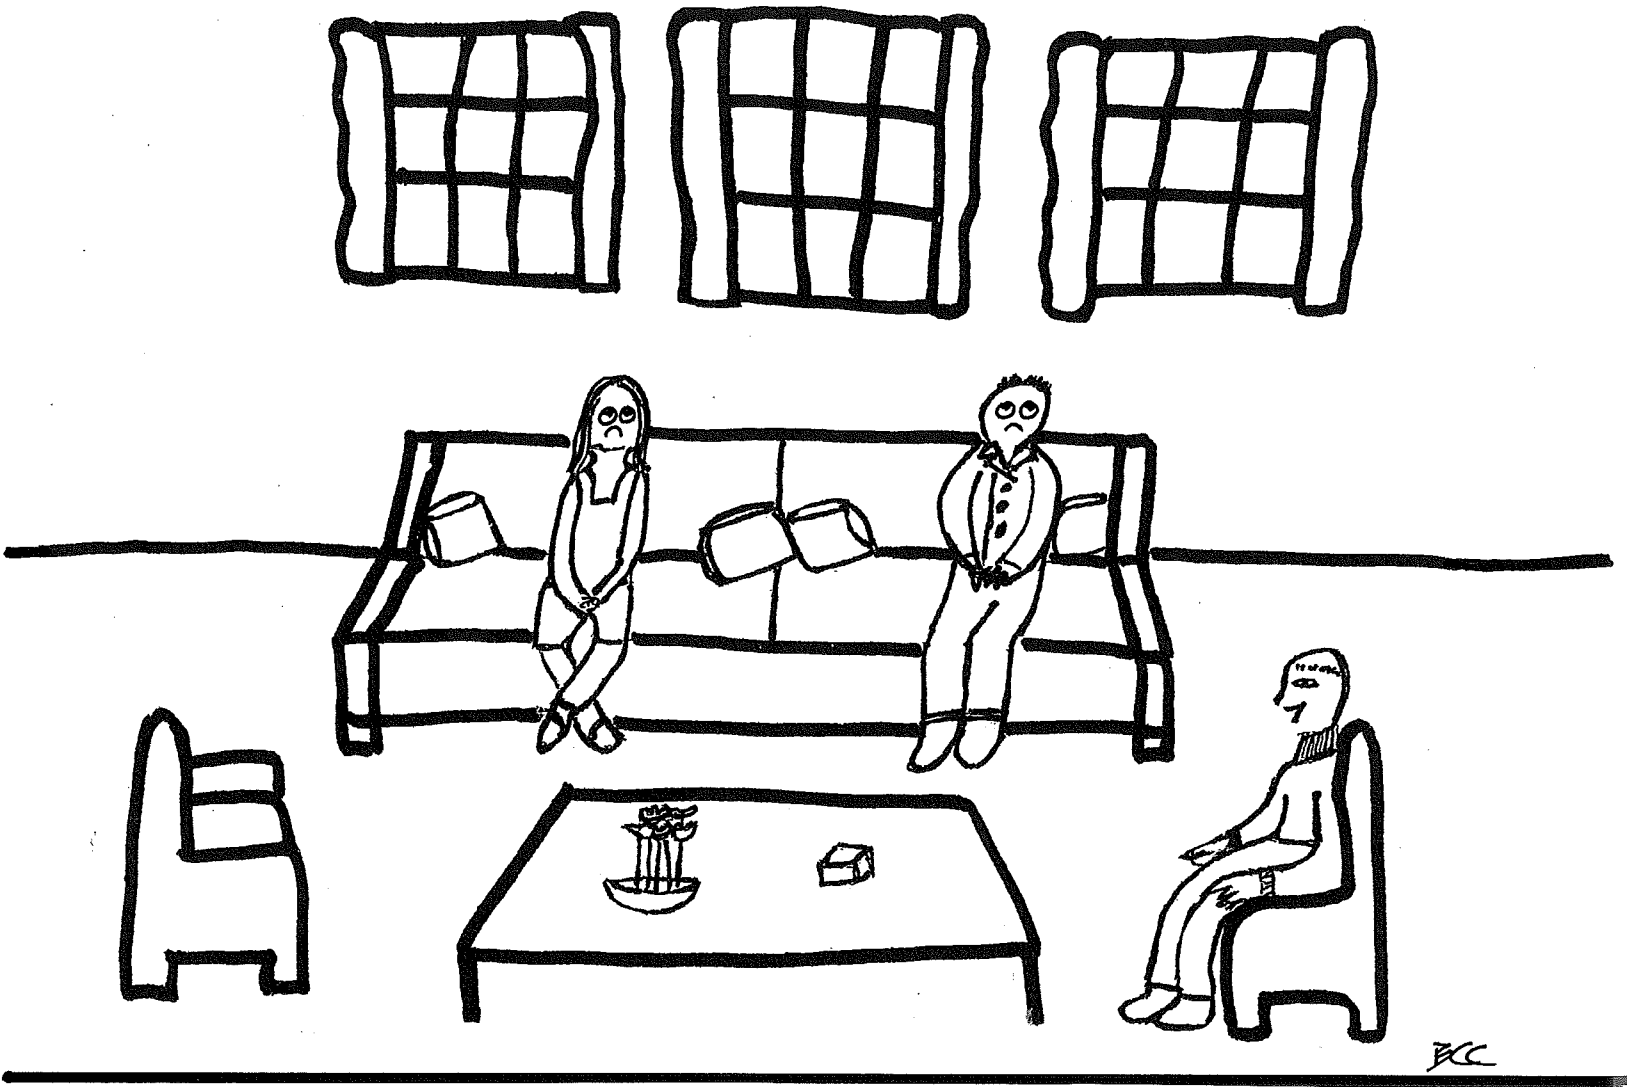

"HELP"

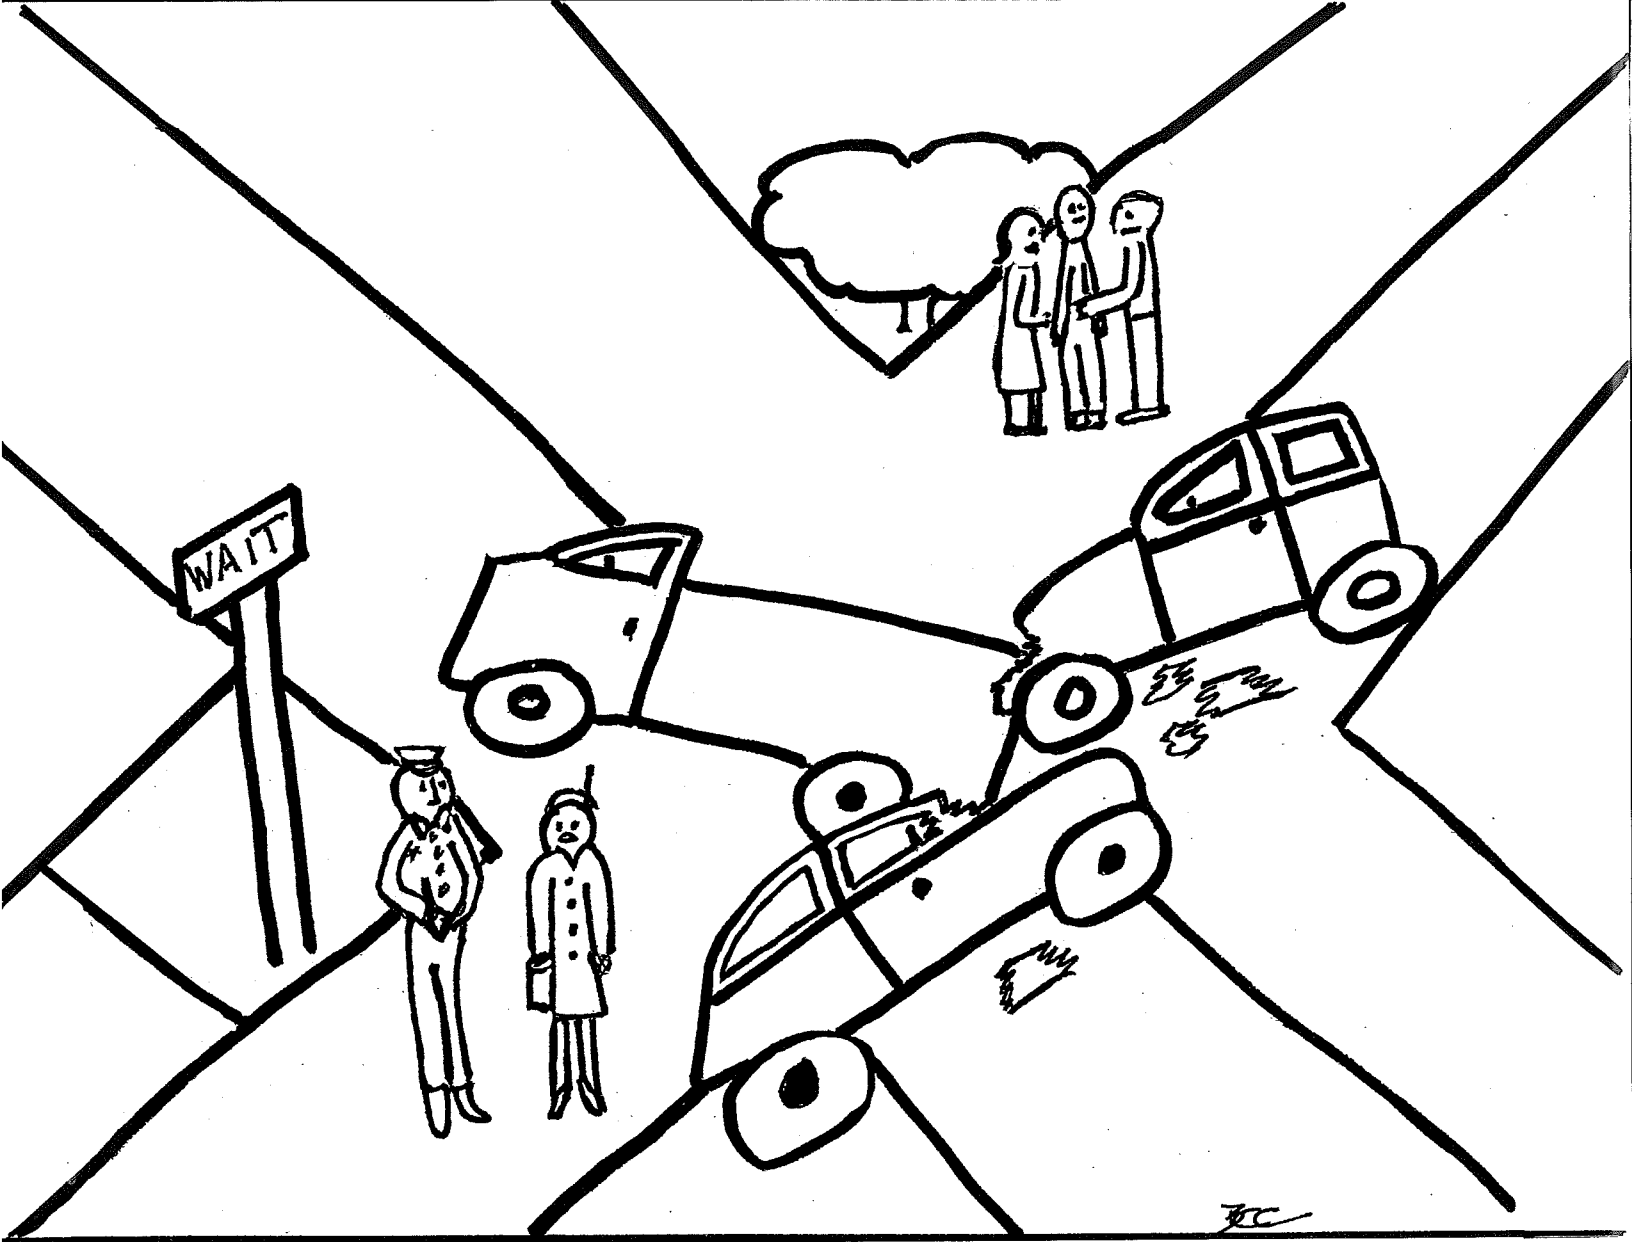

"...AND THEN I WENT TO WALGREEN'S TO GET MY DEPENDS AND THEY WERE OUT. SO I WENT TO THE A & P AND THEY DIDN'T HAVE THE ULTRA ABSORBENT ONES. BY THEN I WAS WORRIED I'D BE LATE SO HERE I AM. HOLD THE ICED TEA AND CROSS YOUR FINGERS."

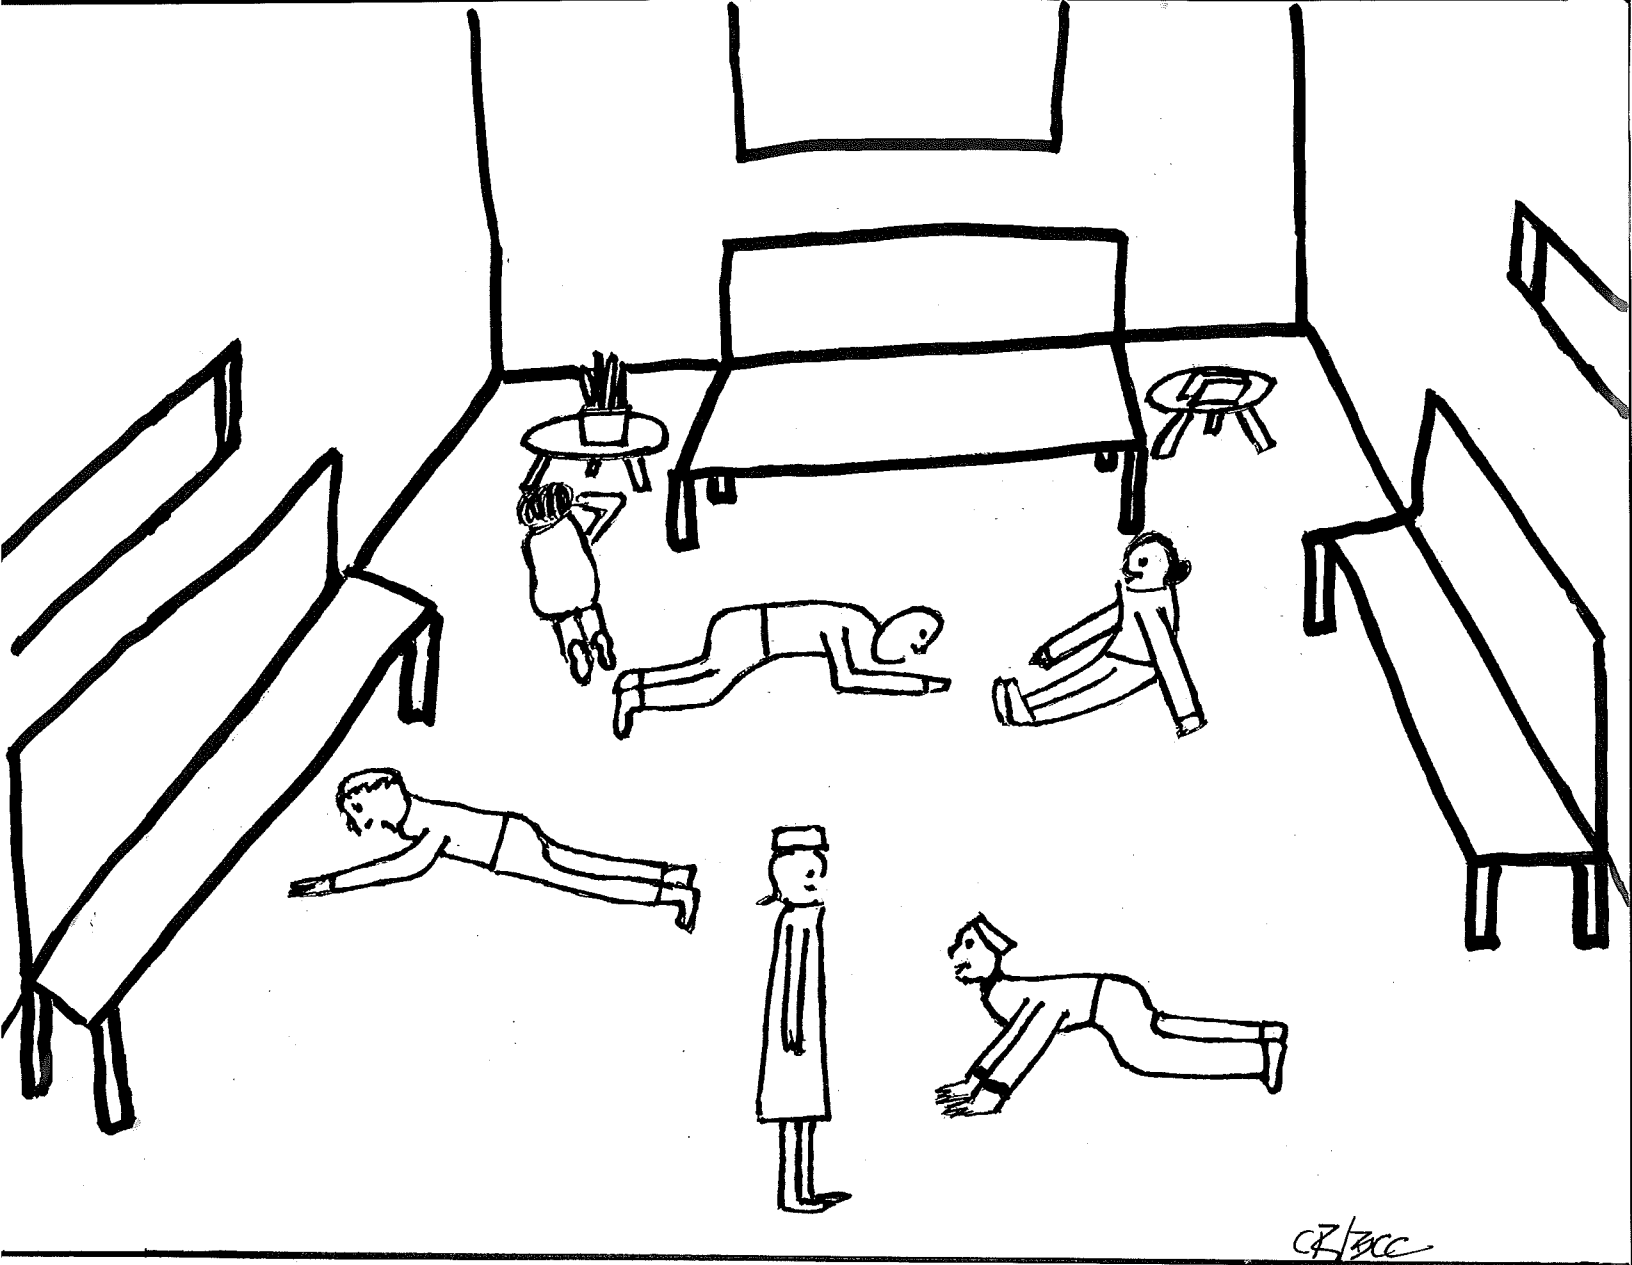

"I'm sorry Mr. Brewster, we had to put the parental controls back on because you were chasing Mrs. Martinez again."

"Did I tell you about the time my car broke down in the middle of the desert on Route 66...."

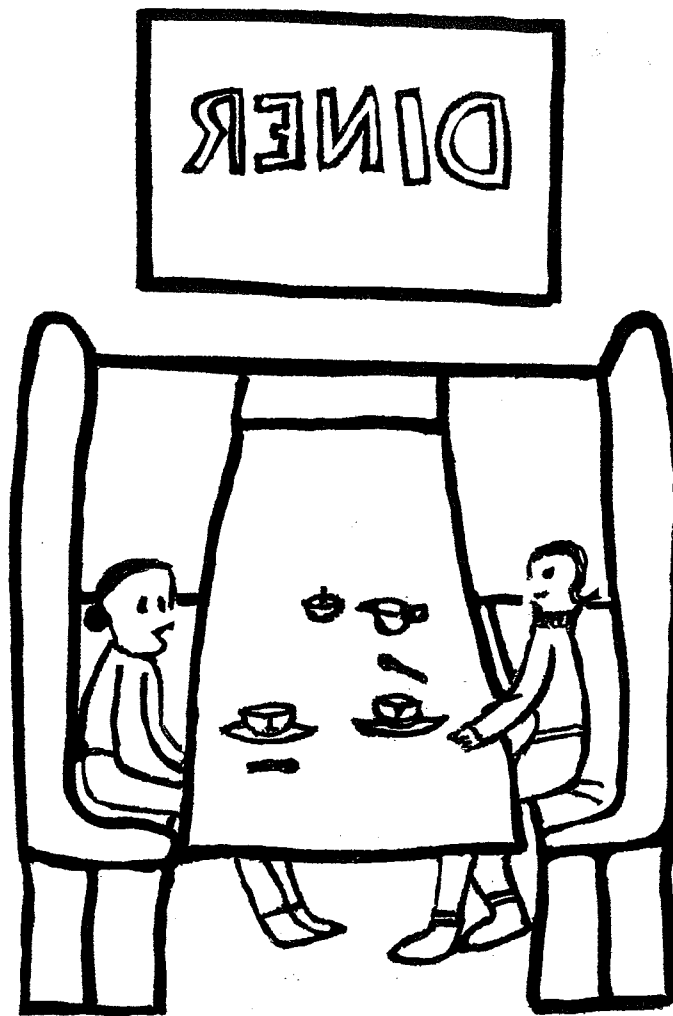

"I thought it said WALK, but it might have said WAIT"

CF/ACC

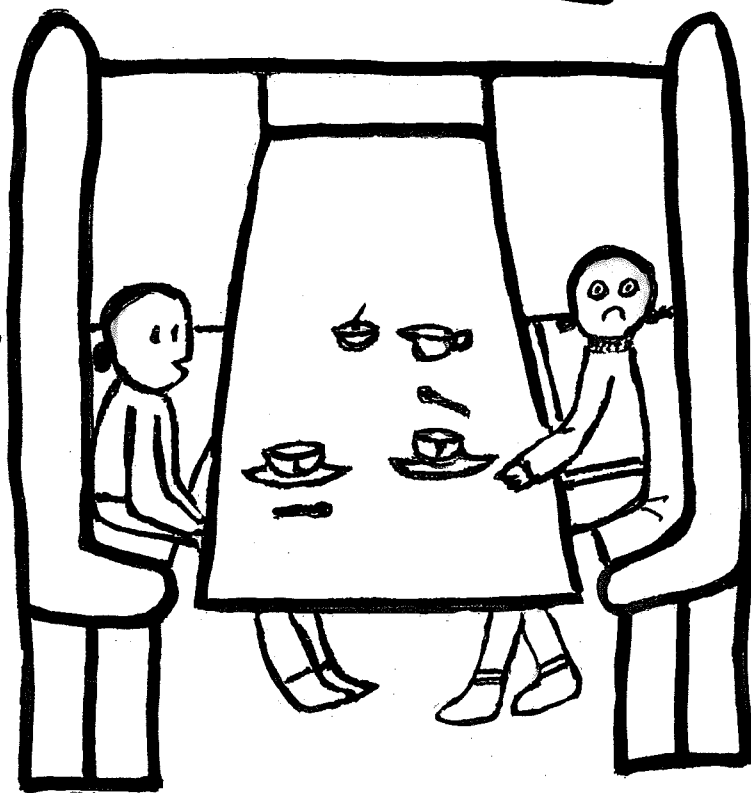

"Between hearing aid batteries, pills and contact lenses,
every day is a treasure hunt."

BCC

"How AM I? well, I've got heart palpitations, my gout makes walking impossible, I have to have my hip replacement done again, my Benefiber doesn't work any more, my rubber sheet..."

DINER

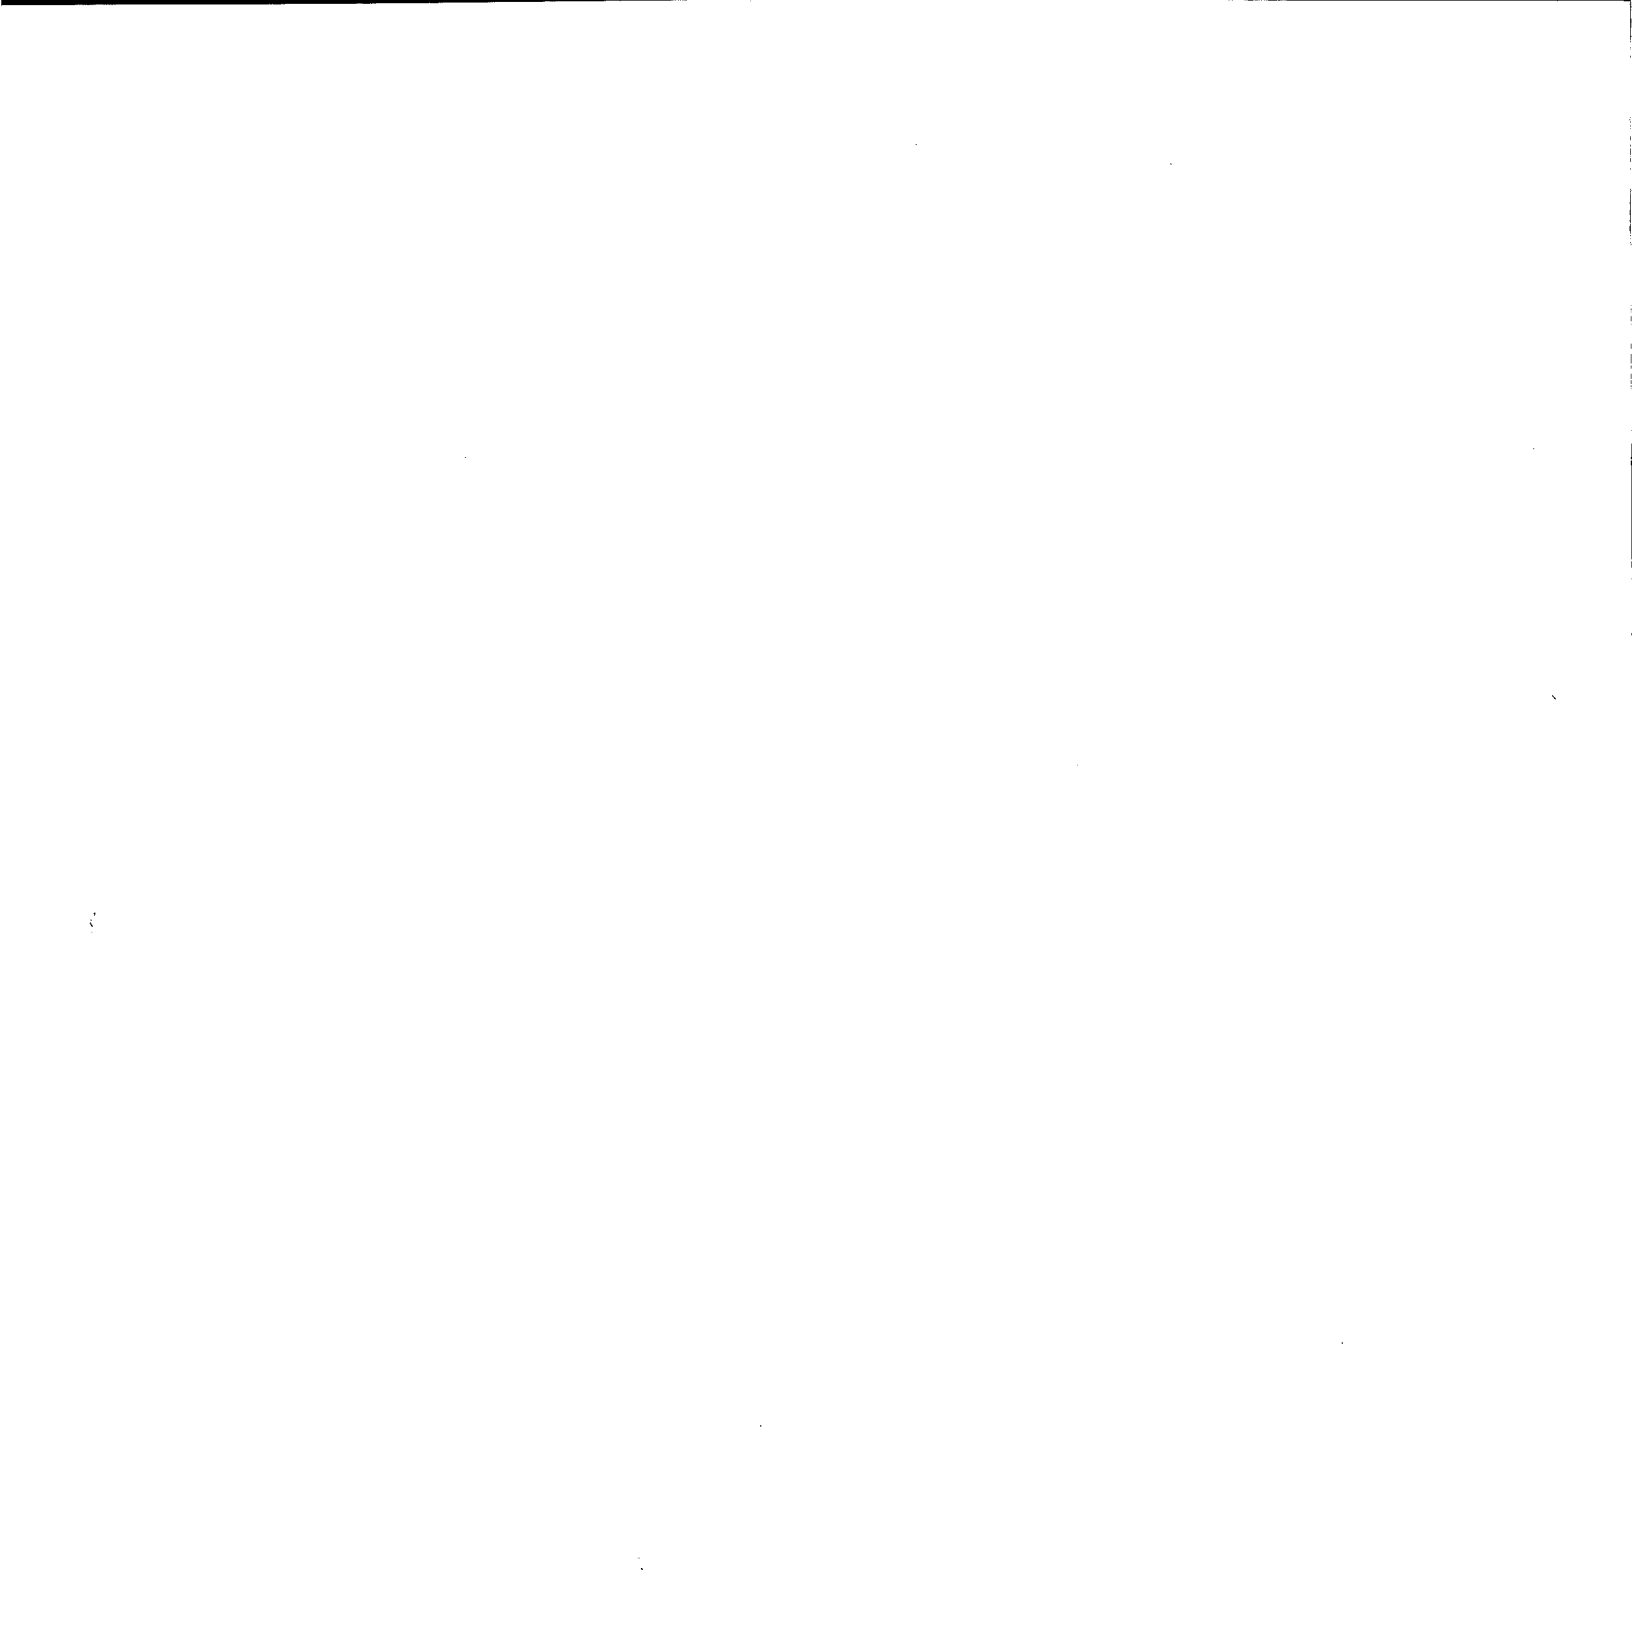

BCC

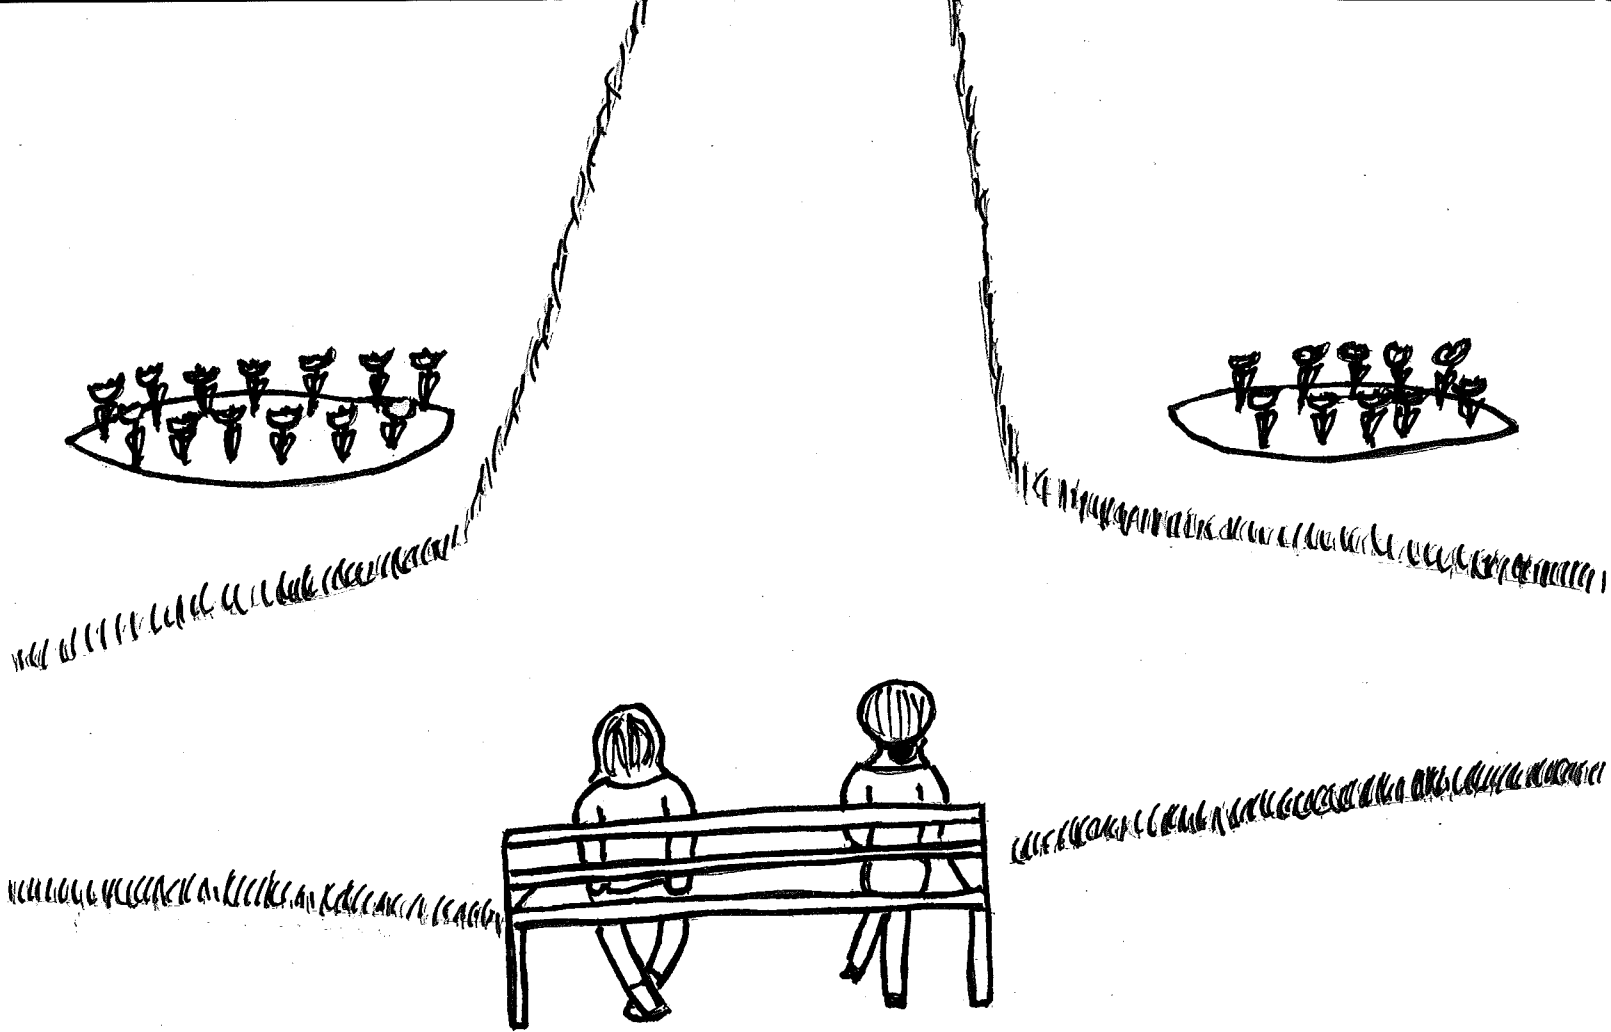

"Please, Lord, let it be time to move on..."

to loftier things!"

And as it happened...
they did.

JBH/BCC

"we'll be friends till we're old and senile...
And then we'll be NEW friends."
